156

DR. BILL CUTS [right] stands with [from left] newly elected vice-president of the St. Albert Chamber of Commerce Peter Zuidema, president Garry Hodgins, and secretary-treasurer Garry Johnson. Dr. Cuts is the past president of the Chamber.

Productive meeting of "resurrected" Chamber

A new slate of officers was chosen, and joint use of the old RCMP barracks as a tourist booth and Chamber of Commerce office was called for at the organizational meeting of the St. Albert Chamber of Commerce March 12th.

New officers are Roger Lemieux, Roger Montpetit, Bill Tchir, Ray Gibbon, Gerry Belke, Fran Beaudoin, Tom Proctor and Elmer Biesiegel. Garry Hodgins was elected president for the coming year, Peter Zuidema vice-president and Garry Johnson as secretary-treasurer. Chairman of the meeting was Dr. Bill Cuts, past president

of the Chamber.

Dr. Cuts was pleased with the attendance at the meeting, about 30 members being present, causing the past president to comment that he was a (successful) resurrector of dying things.

Apart from the election of officers, main item at the meeting was a suggestion that the St. Albert Chamber of Commerce share office space with the Midnight Twilight Tourist Association (Zone 14) in a proposed tourist booth slated for an area of public park on the Sturgeon River at the intersection of the St. Albert Trail and Sturgeon Road.

The main feature of the booth would be its housing in the old RCMP barracks dating back to 1888 now located near the senior citizens recreation centre. If the structure can stand the move to the new site, there seems little doubt that it will give the proposed office a specially historic look.

Secretary-manager for the MTTA Garry Johnson said that the booth, which could be used as a stop off point for tourists going north, is imperative. He said that enthusiasm for tourism is climbing and tourism does not use up or pollute valuable

New school named for Ron Harvey

Trustee Dr. W. Cuts announced at the annual ratpayers meeting of the St. Albert Protestant School District No. 6 that the new Lacombe Park Elementary School would be named after

Mr. Ronald Harvey.

Mr. Harvey, a native of Lisburn, Northern Ireland, immigrated with his wife Joan to Canada in January, 1947 and they spent their first two years in this country

in Ontario. In October, 1949, Mr. and Mrs. Harvey made their home in Edmonton, moving to St. Albert in 1955.

Mr. Harvey was a major contributor to the formation of the St. Albert Protestant Separate School District No. 6 in 1958 and for 12 years, he was a member of the school district board. For the greater number of those years, Mr. Harvey assumed the responsibilities of chairman of the board and he worked continually to promote harmony between the two school districts within St. Albert and with nearby rural districts.

Mr. Harvey extend beyond his efforts at the school district's level as evinced by his generous contributions to local charities, clubs and church work.

Mr. Harvey is presently in business in Edmonton with his two sons Tony and Shaun.

ORIGINAL CHAIRMAN of the St. Albert Protestant School Board #6 Ronald Harvey - he held the post 12 years - takes a bow this week after the Lacombe School under construction near the Sturgeon General Hospital was named after him. Mr. Harvey is 20 years a resident of St. Albert and has been in the insurance business all his life.

Request to view orders denied -not specific enough says Council

Mr. R. M. Gibbon, former mayor of St. Albert, had an appointment

council Monday night to pursue the matter of his request to review the purchase orders covering the period of time that the existing council has been in office. Documents relating to purchase orders dating back to October and leading up to the present time would be involved. The former mayor stated that this was his right under Section 149 of the Municipal Government Act.

A degree of misunderstanding accompanied Mr. Gibbon's request. The letter signed by Mr. Gibbon was typed on Sun Life Assurance Company of Canada letterhead which resulted in a question as to if the request was being made by this company. Mr. Gibbon cleared this saying that it was made as R. M. Gibbon - citizen and resident.

Mayor Plain stated that he, for one, had wondered if the company was engaging an employee to survey this information to update economic data. He noted that this was the point of the confusion and the reason why a letter had been sent to the president of the company seeking clarification.

Mr. Gibbon stated that the letter written by the mayor to Sun Life president, inquiring into the nature of the request was "a matter of intimidation and embarrassment" which could lead to Mr.

Gibbon's loss of position after 24 years as a representative of that company.

Mr. Plain pointed out that the information was sought from the head office because the company could have been asked to bear the cost of such a survey. He said that the letter was sent to ascertain the basis of the request in the

letter.

Mr. Gibbon related that he had presented a letter dated March 11 to detail the request and had spoken with both the mayor and administrator regarding it. He explained that the request to view the material had been denied resulting in the

Continued on page 2.

Council confused with use of letterhead

Coun. Myrna Fyfe admitted being "very disturbed and very sickened" by Mayor Plain's letter to Sun Life Assurance Company President, Mr. T. Gault, which asked about a request to review town purchase orders signed by Mr. R. M. Gibbon, company representative and former mayor of St. Albert.

Mrs. Fyfe said that she considered the writing of this letter to be "below the office of the mayor" and said that the matter could have been easily cleared up without "degrading your position to the point of writing a letter to Montreal." Coun. Fyfe moved that a letter of apology be sent to the head office of Sun Life stating that the action had not been a directive of council along with an apology

for any embarrassment caused to Mr. Gibbon.

Passing the chair to Coun. Wettsch, Mayor Plain stated that his point was to ascertain what was the reason for Mr. Gibbon's request, given a letter on his company's letterhead. Mr. Plain said that he was trying to determine if a company directive was being followed seeking "carte blanche access to our files."

District 6 Board presents reports to annual meeting

The annual meeting of electors of the St. Albert Protestant Separate School District No. 6 was held on Wednesday, March 12 at Sir Alexander Mackenzie School. About 40 people were in attendance and, of these, the greater proportion were district staff. The chairman for the evening, selected from the floor, was Mr. Ron Harvey. Mr. Harvey carried out this function most skillfully and he injected a warmth and humour which set the mood for the evening. This was, in fact, to be a very special evening for Mr. Harvey as it was announced later on during the meeting that the new Lacombe Park Community Core School would bear his name.

The Chairman's Report was presented by District No. 6 chairman, Mr. Bill Webber who introduced the trustees of the district and the committees on which they serve. Trustees are: Mr. W. Webber (chairman); Dr. W. Cuts (vice-chairman); Mr. Don Munro, Mr. Murdo MacFarlane, and last, but not least, Mrs. Shirley McCleary. Mr. Webber publicly recognized two former trustees who had served on the board for many years and who did not contest the October 1974 election. These two gentlemen are Mr. Charlie Schroder (former chairman) and Mr. Jim Wiltshire.

Mr. Webber provided some statistics on school

enrolment which had grown from 2,897 in September 1972 to 3,704 in September 1974, an increase of 807 students. The number of teachers had risen proportionately from 135 in September 1972 to 185 in September 1974, an increase of 50 instructional staff. With this increase of teachers, the pupil/teacher ratio had, in fact, improved from a ratio of 21.4:1 in September 1972 to 19.9:1 in September 1974. The number of students attending various schools in Edmonton had also increased from 55 to 83 over the same period.

In connection with Buildings and Properties, Mr. Webber reported that the

Continued on page 10.

Continued from page 1.

employee to reflect on that." Coun. Fyfe declared that the letter was signed by the Mayor of St. Albert and considered it a "vicious act." She stated that she would not be a party to the act.

Coun. Wetsch stated that as a prerogative of the chair he would question the adjective "vicious" and stated that he did not see it in the

Chamber meeting

Continued from page 1.

resources. He pointed out that people would be sure to stop to buy gas, food and souvenirs and thus "drop their dollars." He also expressed the hope for a full Minister of Tourism.

Sharing office facilities, and collecting MTTA memberships would be an important step to make the Chamber stronger, Mr. Johnson added.

President of the St. Albert Historical Society, Jim Parker, said that the old police barracks was one of the few surviving in Alberta and would help to make the joint office an "active building."

The cost of restoration, perhaps to the tune of \$11,000, may come from the provincial government on a matching dollar basis or from the RCMP Centennial fund. Support has also been pledged by the St. Albert Historical Society and the Lions Club.

Ray Gibbon said that since the location of the proposed office would be on land zoned for public park use, the town could come up with the money to provide the tourist information and Chamber office with washroom facilities.

But this would be up to the municipality and would also be subject to regional planning approval, pointed out Mr. Parker.

letter in any way. He also said that he could not see a motive in the letter.

Coun. Thronson stated that he was in support of Coun. Fyfe's motion and said that there was nothing in the request made by Mr. Gibbon to indicate he was representing Sun Life Assurance. He stated that he did not "like" the use of the letterhead but remained in favour of conveying a letter to clear the matter up with Sun Life.

Coun. Luky stated that he was against the motion as a

shareholder with Sun Life was embarrassed and would be embarrassed if the whole matter wasn't cleared up.

Coun. Wetsch stated that he would be in favour of a motion to the effect that a letter be sent to Sun Life stating that the matter had been cleared up. Mr. Wetsch stated that he would not support a motion to send off a letter of apology which had not been requested by the parties in question. He recalled that a letter sent by Mayor Plain to the Edmon-

ton Report had resulted in discussion which determined that when titles are used the corporate entity is being spoken for.

Coun. Broadner stated that the point made by Mr. Wetsch was "well made" regarding the appearance that the letter being from Sun Life and he remarked that he could not support Coun. Fyfe's motion.

The motion was defeated 5 to 2 (Coun. Thronson and Fyfe voted against).

Mayor Plain moved that a

letter be sent to the president of the Sun Life Assurance Company of Canada saying

that Mr. Gibbon had clarified the request. This motion carried 7 to 0.

LOUGHEED Leadership

43 MONTHS OF ACCOMPLISHMENT - FOR ALL ALBERTANS.

Lowest Taxation of any Province in Canada —

reduced personal income tax to lowest in Canada — no sales tax — lowest property tax in Canada.

96,000 New Jobs for Albertans in Three Years —

highest percentage of working age population employed in Canada.

Major Benefits for Senior Citizens —

free medicare — assured minimum income (highest in Canada) — extended health benefits (including dental care, prescriptions, hearing aids).

Assistance to Farmers —

realized net income has more than doubled since 1971 — costs of fuel, fertilizer and taxation kept lower than elsewhere — natural gas rebate plan and farm fuel allowance.

New Recreational Programs —

\$200 million recreation and cultural facility program introduced on a pilot basis — provincial parks are tripling in four years.

Substantial Reforms for Less Fortunate Albertans —

Large increase in facilities and expenditures for mentally and physically handicapped — new Mental Health Act.

Bill of Rights —

takes precedence over all other laws — Human Rights Commission has power to enforce equality of race, religion, color or sex.

Highest Support for Education and Advanced Education —

on a per capita basis in Canada — launched overdue early childhood education program — assistance to handicapped children — improved opportunities for further education and re-training.

Improved Services for Rural Albertans —

14,000 new homes with natural gas — expanded toll rate telephone service — many new roads and streets (including 3049 miles of new primary and secondary roads built entirely with provincial funds) — 94 communities with improved sewer facilities and 56 communities with improved water facilities.

Better Hospital and Health Care System —

most advanced nursing home system in Canada — community health services introduced on a pilot basis — expansion of active treatment hospital facilities — more dollars per person on health care than any other province.

Vastly Expanded Housing Programs —

funding increased from \$30 million to \$133 million — loan maximums increased — programs for low income, Metis and senior citizens — participated in construction of 10,400 units in three and a half years.

Alberta's Urban Centres —

will have the first urban provincial parks in Canada — city transportation plan to help offset traffic problems — support for new recreational and cultural facilities.

Smaller Communities —

for the first time in years population drop in rural communities has been reversed — many government offices have been located or moved to rural centres — emphasis on improved transportation system for rural areas — industries encouraged to locate in small centres.

Strong Stand on Environmental Protection —

industrial emission controls — restricted development areas — beverage container legislation — car body recycling — land use.

Employable Welfare Recipients Encouraged to Enter the Work Force —

through a new incentive system — percentage of population on social assistance has been reduced.

Ethnic and Cultural Heritage of Albertans —

Cultural Heritage Council established — assistance to ethnic groups for preservation of cultural traditions.

Incentives for Small Business —

new tax policies give special incentives for new or expanding small businesses — \$100 million Alberta Opportunity Fund — Agricultural Development Fund to encourage processing plants.

Disabled Workers —

receive highest benefits in Canada — doubled since 1971.

Consumer Protection —

new Department to inform consumers and prevent abuse — farmers' markets to reduce food costs — Alberta's inflation rate lower than national average despite fastest growing economy in Canada.

Effective Management of Resources —

better return from petroleum resource has provided improved services for Albertans — lowest fuel and gasoline costs in Canada — Alberta Energy Company will allow Albertans to invest in the province's development.

Former Mayor Questions Administrative Duties

Former mayor, Ray Gibbon, was recognized during the Delegations and Deputations segment of the Town Council meeting on Monday night and he directed question to Mr. R. L. Byron, town administrator, regarding the designations and duties of Mr. Barry Miller and Mr. Vern Rheault within the administrative structure of the town.

Mr. Gibbon was told by Mr. Byron that the duties of Mr. Barry Miller "generally speaking" were those of the comptroller, "which are the financial operations of the Town of St. Albert as designated to the position of the comptroller." Mr. Byron stated that the duties of Mr. Vern Rheault are those of personnel and organization; "primarily personnel, the organizational aspects deal more with systems manage-

ment."

Mr. Plain suggested to Mr. Gibbon that he could either pick up the detailed job descriptions from the Town Hall or the information could be sent to him by mail. Mr. Gibbon expressed the desire to get this information.

Mr. Gibbon asked Mr. Byron if these two positions were advertised and was told

that the position of comptroller was advertised in February of 1974. Mr. Byron explained that, under the terms of reference of the position of municipal administrator and manager, appointments are made by the administrator / manager. "The appointment of Mr. Miller and the appointment of Mr. Rheault, a change in duties, were conveyed to council as to what those

duties were." Mr. Byron said. Mr. Byron explained that due to the expanding nature of the duties of comptroller following the appointment of Mr. Rheault to the position, it was decided that another person would be appointed to the position of comptroller so that the functions of comptroller would be separated. He explained that the financial operations would be concen-

trated in one person and the other related duties would be concentrated in the second person.

"There was a split of those responsibilities," said Mr. Byron, "with Mr. Rheault going into the area of bylaw enforcement, personnel and this type of thing with another person hired for the sole responsibility in financial matters."

Mayor Plain pointed out that there was a wider definition of the position of comptroller at the time of the appointment of Mr. Rheault and given the work load, a separation of functions took place and an additional position was created. The mayor explained that by virtue of the bylaw passed in January of 1974 (while Mayor Gibbon was in office)

that a function of the Administrator/manager is the establishment of additional positions within the administrative structure. "He did intend tell us about his proposed reasons for outlining the position, but this is part of his function," the mayor said.

Mr. Gibbon stated that he did not recall the Municipal Administrator/Manager By-law as stating that additional department head positions and additional positions within the municipal structure were created in the way Mayor Plain noted. He asked that in addition to the information regarding the job descriptions of Mr. Miller and Mr. Rheault he be given a copy of the Municipal Administrator/Manager By-law.

Caution urged when passing stopped School Buses

Coun. Breadner moved the recommendation of staff to waive the requirement to stop behind school buses with red light flashing in urban areas at the council meeting on Monday night.

Coun. Thronsdon stated that he was in favour of the move and considered it very foolish for the town to have cars stop behind buses because of accidents which may result. He advocated educating drivers to slow down when passing buses with red lights flashing.

Mayor Plain suggested that a communication problem exists regarding this matter. He noted that complaints had been received regarding children having "close calls" in the winter months with exhaust fumes impairing vision. He stated that he wished it made clear that the fact the red lights

were flashing did not give any more protection to children than if they were getting out of a passenger car.

Coun. Smith pointed out that this point was clarified at the meeting held in January (the School Bus Safety Forum). She noted that it was made obvious at that meeting that the council did not have the power to pass a law that cars have to stop in an urban area. She noted that the drivers had agreed to utilize the amber lights as a caution rather than use the red flashing lights.

Coun. Breadner's motion carried 7 to 0.

Board settles for 19.8% increase

Agreement has been reached between the teaching staff and the board of the St. Albert Catholic School District No. 3 in connection with salary scales. A cost of living increase of 19.8 per cent will be implemented effective January 1, 1975. This follows a previous 2 1/2% increase when the previous two-year contract was re-opened.

New minimum and maximum salaries are as follows: four years teacher training, \$11,400 to \$19,300 (previously \$9,300 to \$15,750); five years training, \$12,150 to \$20,100 (previously \$9,925 to \$16,425); six years training, \$12,900 to \$20,950 (previously \$10,550 to \$17,075). Principals also received an allowance above the salary grid.

The new contract will be in effect for one year.

600,00 sign capital punishment petition

More than 600,000 signatures have been received by C.L.E.A.N. (Canadians for Law Enforcement and Application Now) Because of the overwhelming response to C.L.E.A.N.'s recent cross-Canada speaking tour by spokeswoman Marg Gregory, the deadline for returning petitions has been deferred to March 28, 1975 from the previous date of February 28, 1975. Eight hundred telephone calls and 1200 letters requesting petitions have been received in the past four weeks hence, the new deadline will permit these people to receive their petitions, complete them and return them to Ottawa.

C.L.E.A.N., estimates their goal of one million signatures will be exceeded by March 28th deadline. John Reynolds MP will present the million signature petition to Parliament in Ottawa. This petition will be the largest in terms of number of signatures ever presented to the House of Commons.

The aim of C.L.E.A.N. is to demand that the Govern-

ment of Canada enforce the laws of Canada as they presently exist, with regard to Capital Punishment.

The Criminal Code of Canada provides for a sentence of death to be imposed on a person convicted of the murder of certain persons in authority while in the course of their duties. This death sentence is subject to being commuted to imprisonment, by the Governor in Council. This commutation is not a sentence of law but an exercise of Her Majesty's Royal Pardon of Mercy.

C.L.E.A.N. is concerned that the recent exercises of

the prerogative of mercy have not appeared to adequately consider the security and safety and well being of the people of Canada, particularly where the jury has not seen fit to recommend mercy. Every death sentence in Canada has been commuted since 1962. Our Law Enforcement personnel are without protection. We must have laws or society cannot function. These laws must be carried out or they become meaningless. We realize that justice must be tempered with mercy and that mercy must be based on justice or it too will become meaningless.

C.L.E.A.N. wishes to make it possible, through this petition, to allow the people of Canada to record their feelings on the matter of Capital Punishment. In this regard, C.L.E.A.N. officials have had several large National Groups wanting to participate. In addition to the 600,000 signatures already reported, 7,500 more petitions have been requested (a potential of 187,000 names).

Copies of the petition may be obtained by writing to C.L.E.A.N. Box 9300, Vancouver 3, B.C. Donations to help defray expenses may be sent to the same address.

Multi - media science presentation

BOB SANDFORD

glacial ice making, mountain building and land formations around Jasper, Edmonton, and Calgary areas.

The audience in the gym were held especially captive by the poem "Seasons," as simultaneously a musical background, enriched by views on rivers and wildlife of Jasper Park rangers, was made. The implication being that photography is more than just looking at things.

Mr. Sandford's approach suggested a technique for a higher learning program. His presentation provided examples of creativity in developing multi-media programs. While monetary and time are factors inferred, "patience and understanding" concern the attention of all. But the rewards are great as you look into the incredible world in which we live," said Mr. Sandford.

RCMP warn local businesses

St. Albert RCMP this week warned local businessmen against taking out advertising with sales people who do not have valid credentials.

The spokesman said Tuesday that there have been a number of persons travelling the country recently, taking local businessmen into advertising. This has been followed by complaints to the RCMP that the businessmen have not been getting their money's worth as far as results and satisfaction go.

RCMP are not suggesting that the activities of the salespeople are illegal, but

warn local businessmen to check out credentials before spending dollars on what could be a doubtful service.

Police said that it is up to the individual to see that travelling representatives are licensed for business either by the province or the town before doing business.

An RCMP spokesman also said that March 16 two vehicles were stolen in St. Albert. These have since been recovered by police and returned to their owners. RCMP have investigated the thefts but so far no charges have been laid.

Special bouquet

The difference between a \$20.00 and a \$1.00 bill can always cause a few problems.

Although the money value shown on the bills differs, one can easily be mistaken for the other as Mrs. P. Smith of 53 Broadview Crescent found out this week.

When Mrs. Smith's bill for the Gazette came up her little

girl smartly paid out, but by mistake gave Gazette boy Robbie Weller of 10 Balmoral Drive a \$20.00 bill to pay a dollar debt.

But Mrs. Smith need not worry about paying for this week's groceries, as the money was promptly returned to her by Robbie once the mistake had been realized. Well done Robbie.

to the Editor

Wants playschool in Rec complex

I feel the newly proposed major recreation complex should have playschool facilities for pre-school St. Albert children.

Playschool allows a child to socially adjust to an environment outside the home by mixing with other children. He can freely express his creative ability and potential. It provides an area for constructive play and individual expression and encourages natural development.

I realize St. Albert at present has several nursery schools however for many it is a luxury because of the cost. Why should these people be discriminated against. It

should be a program available to all children. By having it under the Parks and Recreation Department and housed in the new recreation complex it could be offered at a nominal fee.

Statistics showed in June 1974 that there were 2,795 pre-school children in St. Albert. There is a need for this program and facilities.

I sincerely hope that parents who agree with me will come out and support my proposal at the public meeting in Sir George Simpson School on March 19 at 7:30 p.m. That's tonight! Nodding your head won't help. I need live voices for action.

JoAnne Symonds.

Pool-arena under one roof

I am in favour of a combined Arena and Swimming Pool and should be built on not less than 25 to 30 acres site to enable to park 1200 to 1500 cars easily. It usually turns out that after five or six years, all you can park is about half the amount it was built for. The amount it was built for the

highway and should accommodate every taxpayer in the town. It should consider all the clubs in the town, as a taxpayer, we will need their support to help with this complex. I believe both these facilities should be under one roof.

Ed Savoie, St. Albert.

St. Albert area pioneer dies at 81 years

A pioneer of the St. Albert district, William (Willie) Ouimet, 81, died Wednesday, March 12, 1975, after a lengthy illness.

Concelebrated funeral mass for Mr. Ouimet was held Friday, March 14 in St. Peter's Church, Villeneuve by Father Hugh Roche, Father Michael Smythe and Father Donald McDonald. Appropriate and beautiful

music added to the service, with Mrs. Pat Sheehan at the organ and the parish choir, and a duet by Raymond Kremer and Elois Borle.

Eight 4th degree Knights of the St. Joseph's Knights of Columbus Council formed a Guard of Honour for the respected pioneer. Honourary Pallbearers were Charles Victor, Cyril Borle, Romeo Belanger and Elphage Belanger. Serving as active

pallbearers were Bill Soet-aert, Harry Lema, Hubert Ouimet, Paul Ouimet, Ryan McDonnell and Armand Savioie. Interment was in Villeneuve Cemetery.

Following the services luncheon was served in the Villeneuve Community Hall by the CWL Ladies.

Mr. Ouimet formerly of R.R. 1 St. Albert, and for the past 13 months had been a patient at the Grandview

Auxiliary Hospital in Edmonton.

He was born in Villeneuve November 22, 1893, one year after his parents, Mr. and Mrs. Adelard Ouimet came to Alberta from Quebec. They were among the districts first settlers. He attended the Glengary School No. 41 - at Ray, Alberta, one of his first teachers being the late Mrs. Wm. (Bill) Connelly.

He farmed continuously in the same area all his life, and was an active member of the rural community.

Mr. Ouimet was a founding member of the Alberta Wheat Pool and served for a time as an executive member of the Northern Alberta Pioneers and Oldtimers Association becoming a life member. He was also a member of the St. Albert Knights of Columbus Council 4742 and a fourth degree member of the St. Joseph's Knights of Columbus Council.

Mr. Ouimet is survived by his loving wife Ruth (nee McDonnell), one son Ralph at home, a daughter Mrs. Rene (Avila) Maurier, Legal, Alberta; three grandchildren, a sister Mrs. Lina Blais, Edmonton; two brothers, Simon of St. Albert, Fred of Coquitlam, B.C.

WILLIE OUIMET

Easter plans at Library

The St. Albert Public Library is having an Easter decoration making session at the Library Annex on Saturday, March 22 from 2 to 4 p.m., for five to 12 year olds. Among the activities will be decorating Easter eggs for an

Easter egg tree, making chenille bunnies, Easter baskets, paper flowers and other Easter favours.

Mothers of preschoolers are reminded that preschool storyhours conclude this week with an Easter party at

each of the Wednesday afternoon and Thursday morning sessions.

COMEDY FILMS TO END SERIES

To conclude its present Sunday afternoon series of family films the St. Albert Public Library is pleased to announce an enjoyable afternoon of comedy this Sunday at 2 o'clock in the Library Annex. The films to be shown are Buster Keaton's THE GENERAL and a feature length silent comedy film entitled THE GOLDEN AGE OF COMEDY. Admission is free and the program will last two hours.

mine if this man's condemnation and death were justifiable according to the laws of the time. To this end they resuscitate the main characters and witnesses of the drama that took place 2000 years ago and scrutinize their statements with today's knowledge and scepticism.

With these Jews, the spectators, regardless of their religious convictions, can question the authenticity of Christ's messianic role, the validity and importance of his miracles, and can attempt to determine for themselves where lies the truth.

Between Two Thieves was presented for the first time on February 26, 1958, in Paris.

Seniors enjoy bingo party

The St. Albert Women's Institute put a bingo on for the Senior Citizens in their Recreation Centre on the afternoon of March 13.

This was enjoyed by approximately 46 seniors. The bingo party got underway at 1:30 and 16 games were played. The winners were: Mrs. Pudlowski, Mrs. Kemps, Mrs. Zoltenko two wins, Leone McLeod, Olive McGarry two wins - one of which was the \$10 jackpot,

Mrs. Benoit two wins, Mrs. Lafleur two wins, U. Franche, Miss Leblanc, George Manning, Mrs. Cunningham, Fred Ball - a guest from Boyle. Consolation winners were: Mrs. Benoit, Mrs. Mae Smith, two wins; and Mrs. Zoltenko. The intermission door prize was won by Miss Leblanc.

Tea, coffee and lunch was served by some of the WI ladies. The afternoon was very enjoyable both for the Senior Citizens and the WI.

THANK YOU

We wish to express our sincere thanks and appreciation to our relatives, neighbours and friends for their kind expressions of sympathy, floral and spiritual tributes. Cards and donations during our recent bereavement in the passing of our dearly beloved husband and father.

Special thanks to Drs. Gordon Bell and W. Ramer, and to the staff of the Sturgeon General Hospital and Grandview Auxiliary Hospital, who took such good care of "Daddy" during his long illness. Also thanks to Fathers Roche, Smythe and McDonald, the Villeneuve CWL, the pallbearers, Honourary pallbearers, the Knights of Columbus Honour Guard, Connelly-McKinley Funeral Home and all who helped in any way during the time of our bereavement.

Ruth Ouimet, Ralph and Anita.

Citadel on Wheels coming to Nickerson

Students of Leo Nickerson Elementary School will be treated to two performances by the Citadel-on-Wheels company on Thursday, March 20th. Students in grades 1 and 2 will watch the play "The Rain Stone" and students in grades 3 to 6 will see a performance of "Tales From Everywhere" after

which they will discuss the play with the cast.

The Citadel-on-Wheels travels throughout the province playing in kindergartens up to senior high school.

Each year the St. Albert Protestant Separate School District No. 6 sponsors the Citadel performance for one school in the district.

Candidates Views - Provincial Election

Earl Toane N.D.P.

By Earl Toane
New Democrat

People are more important than corporations. The New Democratic Party has always been devoted to this belief: what most of us want to know is what it means to us, locally, regionally, and provincially.

For the people of St. Albert, an NDP government would work with local government to prevent unplanned growth which benefits developers at the cost of lowering the quality of life in the town. Such measures as public ownership of development and, prohibitive taxes on land speculation, increased grants for education, improved arterial roads to Edmonton and expanded subsidized public transit would go a long way toward curing the growing pains of St. Albert.

The NDP believes in the family farm, and would provide an economic climate in which it could thrive by instituting:

- roll-back of farm fuels to 1973 prices
- voluntary land bank commission
- low-interest farm loans

•\$100.00 per head grant to cow-calf operators
•national meat-marketing board.

The NDP believes that the energy resources of the province should be developed by and for Albertans and Canadians. The billion dollars which the present government has committed to the synchro deal alone has taken \$800.00 from every man, woman, and child in Alberta and given it to some of the richest oil companies in the world. Can you afford this kind of generosity? Can your children? The tar sands should be developed progressively at a rate based on Canada's domestic oil needs and consistent with protection of the environment. It, too, is a heritage we owe our children.

If people are to come before corporations, we need a government responsible to the people. The only way to keep a government responsible is through an effective opposition, and Grant Nettle has shown that only the NDP can provide that opposition. That's why I'm asking for your vote on March 26th.

John Bakker Liberal

Governments with large majorities have shown themselves to be unresponsive to the needs of the people and tend to become arrogant. A strong constructive opposition is a government's conscience! The Loughheed Government is not in danger in this election. Democracy and good representation is in danger however, particularly if Mr. Loughheed succeeds in taking most Social Credit seats in Southern Alberta.

There is no need for a larger mandate in seats just for a four day session in Ottawa, when in fact this election determines the legislature for four years. The pre-occupation of Mr. Loughheed with the oil problems has meant that he has not given sufficient attention to such problems housing, problems of growth in and near the major cities, timely school construction, delays in the ring road, improvements to highway number two and the like. This is proof of his one man (and possibly one party?) government and his inability of choosing strong thinkers and doers in his cabinet. He has even failed to replace the very weak cabinet members. Not only Mr. Loughheed has a problem in choosing the best, the local Progressive Conservative Association could not select the best nominee when

such a choice was available. Instead, a potential cabinet member (who could have been an acceptable candidate to many non-conservatives) the constituency is faced with the continuation of an ineffective government backbencher.

The St. Albert constituency has not done too well with a government member. In 1972 we lost the Athabasca University. The ring road has been endlessly delayed and may well be used as a carrol in the next couple of elections. The per capita municipal grant for a growing town like St. Albert has steadily decreased since 1972, causing financial problems to a municipality that was promised greater local autonomy in the previous NOW campaign.

The Provincial Government talks a lot about industrialization. In this area Mr. Jamison has been ineffective, even obstructive, as far as increasing industrial assessment is concerned. In the Town of St. Albert he said it should be in the region, and in the region he cannot prevent the industries locating East of the River in Strathcona!

We need NOW a definitive PUBLIC provincial policy on urban growth and rural land use. An MLA should work WITH councils, boards, or-

ganizations and individuals on THEIR problems the way THEY see them.

This winter election was called, not because of an Ottawa conference; but because it is better to have an election before the big inevitable fuel price increase. An increase that will make the farmers' cost-price squeeze even more severe.

The real problems and even the civil servants are being hidden behind a veneer of public relations. Just look into your new

telephone directory under the heading Government of Alberta. No longer will we know the various branches in each government department (and therefore can determine the rapid increase in their number); instead it is nothing but information officers. Perhaps they will impress us with busy signals!

As an alternative, elect a constructive opposition member, so that the government will have a conscience. Elect John J. Bakker in the St. Albert Constituency.

Ernie Jamison Progressive Conservative

With only a week to go in this campaign I think it is time for me to say something about "Quality of Representation."

Liberal candidate John Bakker went to the Conservative nominating convention to vote for a fellow educator who said he felt a higher calibre of representation was needed. Now Mr. Everitt is taking up the cry for "Better quality" representation. I will speak up for the constituents he has said.

It may be that a person of higher education or 12 years experience in government would make a different calibre of representation. But when they speak of higher calibre what do they mean? Mr. Bakker said at the forum in Picardville that he knew nothing about agriculture - but ask me a question on transportation - I'm an expert. To represent EITHER the Town of St. Albert or the rural areas a knowledge of Alberta's number one industry is, in my belief, essential. At the Alberta Hospital forum Monday he said that he had never heard of the Behaviour Modification program. Well I have, and it is my belief that while such programs can be a useful tool, properly handled, the whole subject of behaviour management is one that needs careful watching - both by the public and by their elected representatives. A Canadian doctor named Peter Bragen recently issued some very emphatic warnings on the subject in an hour-long radio program. Magazines are also currently alerting the public to dangers of behaviour

management techniques, not only in hospitals but in the education system.

For three and one half years I have served as your MLA as I see the job, and as the Conservative Government expects. Not as an "expert" in any particular field - which I have never claimed to be. I campaigned as an experienced small businessman who would use a common sense approach coupled with business experience. I believe an MLA must go to the people to get a proper understanding of their problems, and that is what I have tried to do. Under Conservative government cabinet ministers, department heads and members of the civil service also like to contact the people directly and I have brought many ministers and others to St. Albert and the Sturgeon area to talk to municipal people, school trustees, farmers and business people. This helped not only the constituency, but the ministers and department people, who have been so useful on such visits are to them. Government will lose touch with the people if elected people try to handle it by

sitting in offices and administering.

Governments can hire administrators, but the people elect somebody to represent THEM. When I have something concrete to say I say it in the Legislature. The record is in Hansard.

The West must be given a chance to develop its potential - and that's pro Canadian. Synchro deal to go ahead - and Alberta DID get a good deal. I promised in 1971 to work for the clean up of the Sturgeon River - it was given third priority in the list of Alberta rivers. The green belt is prepared - not without protest from constituents within the restricted area. And I have presented the view of the small businessman at every opportunity to

caucus. We do have the lowered corporate tax and business incentive program.

I sincerely believe that Peter Loughheed is the right man - in the right place - at the right time for Alberta. The Conservatives are not immune to mistakes - no representatives in any form of government are immune to mistakes. But do we have any REAL alternatives being offered in this constituency in the Liberal platform, or the NDP or in Social Credit candidate who is going to support the Premier and at the same time offer effective opposition to the Conservatives?

I would ask every Conservative to be sure your vote is recorded on March 26th.

Keith Everitt Social Credit

I am pleased to have this opportunity to report to you direct through this newspaper.

For the Department of Municipal Affairs to give towns like St. Albert an increase in Municipal Assistance Grants by only 15% when the population increase is 22% is most unfortunate. While a green belt is desirable to keep the City of Edmonton from gobbling up our most fascinating and historical town it should be noted that about 160 acres or approximately 1/3 of the property zoned for light industry has been now frozen for Green Belt. This action too can be somewhat disappointing when we realize the necessity of having some light industry to ease the tax burden.

The rural area is not without its problems. I voted for the proposed high school at Namao and will support the Board in an effort to obtain these premises.

The MD of Sturgeon has requested that all farm

homes be assessed and taxed. I would oppose this until all alternatives have been thoroughly examined, such as minimum tax. To ease the burden on acreage taxes, I believe that a move towards taxing land only would be a move in the right direction.

Government must do something about the cost of government. Do you know that MLA and Ministers pay allowances March 31/71 was \$852,000.00 but in March 1974 it was \$1,868,000.00. Do you know that only 317 Bills were passed since the last election in 1971 but in the same time the Cabinet alone has authorized 6,867 orders in council without any debate.

While it may appear that I am strongly opposing the Loughheed Team, actually the opposite is quite true. I support very enthusiastically the 12 point guidposts as outlined by our Premier and would like the opportunity to see that these are carried out.

St. Albert teachers at ATA convention

Two St. Albert teachers will attend the 58th annual representative assembly of the Alberta Teachers Association at the Calgary Convention Centre March 31 - April 2.

They are J. Bernard Poulin and Anton J. Sware.

Delegates to the ATA represent over 24,000 teachers across the province.

The 483 voting delegates come from 75 locals throughout the province.

At the Monday opening of the assembly, greetings will be delivered by Minister of Education L. D. Hyndman, Calgary Alderman Leone Wellwood, and Alberta School Trustees' Association

President A. C. Bunney.

An honorary membership in the Association--the ATA's highest award--will be presented at the banquet. Keynote speaker for the banquet will be Dr. Juanita Chambers, acting chairman of the Department of Educational Psychology at the University of Alberta.

Environmental education resolutions ask for integration of environmental education to the school curriculum under the auspices of the Department of Education. Provision of proper funding for both environmental and outdoor education is urged.

In the area of teacher education, resolutions continue the focus on the extended practicum and evaluation of teacher education programs.

A significant resolution proposed that the Association advocates that the provincial plan for education finance makes provision for

an annual adjustment to reflect inflation, expansion of the economy and quality improvement.

A resolution initiated by

ATA locals proposed the creation of a committee and a program to examine the role of women in the Association and in education in Alberta.

MacCosham bequest to U. Library

A \$250,000 bequest to the University of Alberta has been matched by a \$250,000 grant from the provincial government's department of Advanced Education. The university's Board of Governors recently approved the allocation of the total amount to the university library for the acquisition of books and periodicals.

The bequest was contained in the will of R. V. MacCosham, founder of Mac-

Cosham Van Lines Limited. The will's executor was directed to pay \$250,000 to the university 15 years after Mr. MacCosham's death. He died on December 5, 1959.

The bequest is being treated as a donation to the Three Alberta Universities Capital Fund. All contributions from corporations, foundations, alumni and other friends of the universities were matched dollar for dollar by the provincial

government, provided they were for capital projects which were approved by the Universities Commission.

The MacCosham bequest, payable in December, 1974, fell within the extended date of the five-year campaign limit.

A department of advanced education guideline states that funds raised for the purpose of increasing the stock of library books are eligible for matching by the department, providing the books can be used on a regular basis by students and staff.

The library presently has a collection of approximately 1,500,000 books and more than 16,000 periodicals.

AROUND TOWN

The Lions Club March bulletin welcomes Rock "Hop Sing" Holman back from a trip to Hawaii with his wife Shirley, reporting a fantastic time and some nice colour. The bulletin also records George and Judy Simpson, off for a Hawaiian holiday.

Claire Bonneville is having quite a time this week. Curling out at Vegreville with skip Vi Tetreau she won her first curling trophy when the team won the second event of the Ladies Bonspiel. Claire, who has been curling for over 20 years, has won other kinds of prizes but never a trophy. It was the TD Bank trophy so she enjoyed letting her friends in the Bank of Montreal know about it. While at the 'spiel she got several calls following her letter in the Canadian Magazine. Out of 5,200 received by the magazine for the "What Makes you made" column her's was one selected. Next week Claire and Vi are curling with the Irma Harvey rink in the Nifty Fifties event in Edmonton. Olga Kolomyjec and Vi Samis have also entered this bonspiel. Here is Claire's "What Makes Me Mad."

"Why is it, if a woman goes to bed with a man she's not married to she becomes a whore? But the man is quite a guy-about-town." (Claire worked for many years in a motel).

request to view orders

Continued from page 1.

matter being brought before council to ask for permission to view the purchase orders since October of last year under Section 149 of the Municipal Government Act.

Coun. Smith asked Mr. Gibbon if he was aware of the number of documents involved in his "viewing request." Mr. Gibbon stated

that he was well aware of the number of documents and "had been viewing them for six years." Mrs. Smith stated that she had been surprised by the request, given that Mr. Gibbon would be well aware of the time involved and the possibility of tying up staff in many hours of assisting with the task.

Mr. Gibbon maintained that the material could be viewed at Town Hall without the aid of staff other than for them to bring the items from file. He stated that he did not think the request unreasonable under the terms of the Municipal Act.

Coun. Barry Breadner asked if Mr. Gibbon would find it sufficient to view the statement of accounts and then ask for specific items. Mr. Gibbon responded negatively "for the simple fact that the statement of accounts are the items that have been paid and are simply a statement of accounts." He pointed out that his letter had noted that purchase orders can be lumped into more than one supplier and as a result, unless you have those purchase orders, you do not know what has been purchased.

Mr. Breadner explained that he was also concerned with the time involved with such a request. He stated that he had no hesitation about giving access to any of these accounts to anyone but in view of the time involved,

could not agree. He stated that if Mr. Gibbon could be more specific regarding what he wished to view he would have no argument.

Coun. Frank Lukay agreed with Coun. Breadner's comments and urged Mr. Gibbon to be more specific on his request. He said that he was concerned that others would come forward with similar requests and staff would be tied down by them.

Mr. Gibbon took issue with the rationale regarding the tying down of staff. He said that he agreed that time would be involved with the "bringing out" the purchase orders but staff does not have to go through the purchase orders. He said that according to a letter from Mr. E. J. Walter, town solicitor, stated that the person requesting those purchase orders had to go through them.

Coun. Thronsdon asked Mr. Byron if indeed the viewing process is a time consuming operation. Mr. Byron noted that the filing was not merely in terms of purchase orders and they are filed under supplier headings. "It necessitates," Mr. Byron explained, "if review is to be made of purchase orders, that each file of whoever supplies goods or services to the Town of St. Albert be reviewed." Mr. Byron pointed out that the involvement of staff included removing files to the area where the person is reviewing them and the practice of having a member of staff on hand at all times. He pointed out that this was done for security reasons (discouraging theft), reasons of responsibility under the legislation and protection of the person viewing the items.

Mayor Plain noted that the town was quite willing to let someone see a specific account but wondered what the reason was Mr. Gibbon wished to go over about four months of purchase orders. Mr. Gibbon simply stated that the reason why he was making the request was that he wished to view the purchase orders and he "had been missing it so much"

since he had left office.

Coun. Smith considered the request unreasonable while a more specific request would be more reasonable. She noted that there would be areas that she would wish the former mayor to review because of the "considerable improvement from the previous years." Following this comment there were considerable groans from the audience and Mayor Plain conveyed his apologies to the former mayor.

Coun. Smith asked Mr. Byron to estimate the quantity of time he would spend with each deputy mayor in going over accounts. Mr. Byron stated that an approximate time would be between two and three hours.

Coun. Myrna Effe noted that the procedure of having a staff member present at the time when the deputy mayor went over accounts had been modified to having a person available to question regarding matters in the accounts. She noted that she had taken up "maybe two minutes of staff time" when going through the accounts in the past month.

Coun. Breadner said that he had spent on the average of two-and-one half hours going through the accounts every two weeks and found that he kept staff after hours. He explained that the reason staff had been "kept after hours" was that he could not come to survey the accounts during the day.

Mr. E. J. Walter, town solicitor, was on hand to advise council regarding his opinion on the request made by Mr. Gibbon under Section 149 of the Municipal Government Act. He explained that a section in question was not that clear and had not been judicially interpreted as to what it did encompass. He said that "open-ness" was very important but noted that "that does not lend itself, nor does Section 149 of the Municipal Government Act, to a carte blanche opening of the whole of the accounts of the municipality." He pointed out that specificity as to the areas that would be of concern could result in the

information being made available.

"My opinion at this time," Mr. Walter said, "and I stand behind my letter of August 30 (1974), that you are not obliged to carte blanche open all your accounts and put your staff through bringing forth all your accounts without a greater degree of specificity as to what is required." He said that in his opinion if there was a greater degree of specificity as to the area involved then the town could "stretch itself" to fit in with the section of the Municipal Government Act.

Coun. Thronsdon's question regarding "greater specificity" and what would be involved in this concept, was answered by Mr. Walter who noted that a particular supplier or account or a specific time interval, would be specific.

Mr. Walter stated that his opinion was that the section of the municipal government act was not to be interpreted as broadly as Mr. Gibbon noted in his request. Coun. Wersch concurred with Mr. Walter's opinion and stated "reasonableness" was a paramount factor in consideration of a request of this type.

Coun. Smith moved that Mr. Gibbon be permitted to peruse the expense accounts and allowances of mayor and councillors. She stated that her motion was made in view that this area was specified by Mr. Gibbon in his letter. Coun. Smith also said that she was in favour of making available to any citizen any information regarding a specific area, a specific contract, or a specific account. The motion carried 7 to 0.

Coun. Thronsdon made a motion regarding making available any specific information called for by an elector but removed his motion when it was pointed out that the intent of section 149 of the Municipal Government Act covered this matter. "As long as this is followed, Coun. Thronsdon said, "so if we are going to be what we think we are, an open council, and bring all things out in front of the public."

Coun. Breadner moved that the administration be directed to follow the opinion given by the solicitor regarding the viewing of accounts. This motion carried 7 to 0.

NDP Campaign Breakfast

New Democrats gathered for a campaign breakfast at the St. Albert Inn on Sunday, March 16. Their candidate, Earl Toane, reported on the progress of the campaign to date, and Campaign Managers Paulette Van Riper and Don Brown outlined the plans for the coming week.

Earl described the sympathetic response he has met while visiting schools, hospitals, clubs and other local organizations. He said the all-candidates' forum in Picardville on March 12 was well attended by local farmers and businessmen, whose main interest was in the farm policies of the parties. Earl voiced the NDP support for subsidies to the cow-calf operators and for a system of agricultural marketing boards to prevent the price fluctuations which have left the cattlemen operating at a

loss during the past year. At the forum in Morinville on March 13, Earl reaffirmed his support for the subsidies, saying that all he wanted for the struggling small farmer was equality of treatment with "The Impoverished multi-national oil corporations."

Plans for the coming week include an all-candidates' forum on local cable TV at 7 p.m., Tuesday, March 18, and a large delegation to attend the NDP election rally Friday, March 21 at 8 p.m., in the ballroom of the Edmonton Inn, where the guest speakers will be former national leader Tommy Douglas and provincial leader Grant Nootley. The New Democrats will finish out the week with a motor cavalcade through St. Albert streets on the afternoon of Saturday, March 22nd.

Continued from page 1.

District has title to three school sites, two in Akinsdale and one in West Grandin to meet future needs. He said that the Lacombe Park Core School had progressed favourably over the winter period and that the addition to Paul Kane is now in the planning stage. Construction is also underway on the addition to the District

Office.

On the subject of Business and Finance, Mr. Webber reported that despite the spiralling costs experienced throughout the economy in 1974 the District's finances remained sound. Additional monies were committed to the District Office addition which, together with a commitment made in 1973,

would cover the total cost of the project without adding to the District's unsupported debt.

EARLY CHILDHOOD EDUCATION

Mr. Webber said that the board had received numerous requests for space and other assistance from parent groups for the purpose of Early Childhood Education. He said that due to high enrolments it had not been possible to provide these groups with space but the district made available the services of the Assistant Superintendent (Elementary Education) to assist with staffing and programming. Also purchases may be made through the District Office and Audio Visual equipment is available for E.C.S. groups when it does not conflict with district use.

Mr. Webber announced that the board has been concerned in connection with the joint use of facilities. In particular, with the lack of planning in the planning of additional town facilities as well as an apparent conflict between the Joint Use Agreement and the re-

cently approved Recreation Bylaw. He explained that a revised Joint Use Agreement had been approved and prepared by both school districts but the town had not accepted the revision. A committee of the three parties had been formed in an attempt to resolve the differences. Mr. Webber hoped that the problems can be easily resolved so that the benefits of "Joint Use" will not be lost.

Mention was made of extra-curricular activities within the district and Mr. Webber expressed his appreciation to the principals and their staffs for their efforts. He also thanked the other trustees for their co-operation during the time that he has served as chairman.

Mr. Ron Harvey requested questions from the floor in connection with Mr. Webber's report and Mr. E. Wynychuk posed several questions concerning the community core school. In reply to the questions, Mr. Webber explained that government funding of schools is channelled towards community core schools and that teachers have input into the design of the schools through the superintendent.

SUPERINTENDENT'S REPORT

The Superintendent, Mr. Elmer Gish, presented the Superintendent's annual report. He remarked on the fact that rapid growth of the student population in the previous school year, 1973/74, had not continued but, in fact, had declined during the current school year. He attributed this decline in growth to a substantial decrease in residential construction and a slowdown in the sale of new homes. He also pointed out an abnormally high percentage of student "dropouts" (due to the attractions of a lucrative employment market). This decline had greatly lessened the pressure on classroom space and had

allowed the district to catch up. Mr. Gish felt that the Lacombe Park School will provide ample space for the student enrolment projected for the 1975/76 school year.

Mr. Gish presented an organizational chart of the district staff and he provided descriptions of the staff responsibilities. The superintendent who is responsible to the board for the total operation of the school system has three department heads. These are: Assistant Superintendent (Elementary Education) who is Mrs. Muriel Martin; Assistant Superintendent (Secondary Education) who is Mr. Bob Prather; and, Secretary-Treasurer (Business Administration) who is Mr. George Hargreaves. Each of these heads has a number of staff to assist them carry out their duties and Mr. Gish described these positions in some detail.

CURRICULUM

A summary was provided by Mr. Gish of curriculum highlights. At the elementary level, special programs are available such as remedial reading and counselling services and the school program goes far beyond basic skills development. Recognition is given to the importance of fine arts and outdoor education. Parental involvement has grown from limited assistance to major involvement. Mr. Gish considered that the special funds provided through government grants have had much impact on the calibre of education for young children. He mentioned the introduction of the metric system and in this respect two district teachers will be meeting with a committee of teachers in the Edmonton Public School system.

JUNIOR HIGH

At the junior high level, Mr. Gish said that emphasis is placed on continuing the development of basic skills and at the same time efforts are made to broaden the experiences and capabilities of students by means of a variety of courses and extra-curricular activities. Various programs which the district is presently engaged in for junior high level students were described and Mr. Gish said the band programs at Sir George Simpson and Lorne Akins schools are "showing

a promising beginning." Parent volunteers continue to play an important role at both junior high schools.

SENIOR HIGH

The senior high school program involves a higher degree of specialization and application of skills learned in earlier grades. Mr. Gish said that although Paul Kane lacks facilities for vocational training it does offer a fairly comprehensive academic and business education program. He announced new courses offered in the 1974/75 season and described special projects being undertaken by various students for credits.

Mr. Gish closed his report with a brief description of guidance services available within the district. No questions were received from the floor.

RON HARVEY APPLAUDED

Trustee Dr. W. Cuts made the announcement that the School Names Committee had unanimously selected Mr. Ronald Harvey's name for the new Lacombe Park School. Mr. Harvey is a former trustee and board chairman. Dr. Cuts spoke at length of Mr. Harvey's many talents and attributes and he mentioned the 'good old days' when board meetings would last into the wee small hours of the morning. The board and audience rose and applauded Mr. Harvey who was visibly moved by this honour.

While you can see food being wasted, you cannot see wasted energy. The only indication that energy is being wasted comes in the form of a few dollar figures

on an electric bill that could be lower. One of the ways to conserve energy is to strive for proper use of appliances such as the refrigerator and

Save on electric bill

freezer. Both appliances operate 12 to 14 hours a day, constantly drawing electrical energy. Given proper care and use these appliances can be major energy savers.

One of the first things to remember when buying a fridge or freezer is to choose the size that suits your

needs. Both will operate more economically when filled to capacity but not crammed with food.

When having the fridge installed note that it will use less energy if located away from heating equipment and direct sunlight. Allow en-

ough space for air to circulate around the unit.

It is also a good idea to make sure the appliance is not set to run colder than is necessary. The manufacturer's suggested setting is usually a good bet.

When buying a used fridge (or checking the efficiency of the one you have now), test the rubber seal around the fridge and freezer door by closing the door on a sheet of paper. There should be a considerable drag when you yank the paper out. If this is not the case, the seal must be worn or badly fitting and should be replaced. A badly sealed refrigerator can allow air leaks that make the machine work harder to keep a uniformly cold temperature. That means higher operating costs in terms of kilowatt consumption.

Let hot foods cool down before storing in the fridge. Placing the hot pan in cold water will reduce the temp-

erature.

When the frost in your freezer is about one-quarter inch thick the appliance is drawing more electricity than it should and it is time for a defrosting.

Frost-free refrigerators are great savers of your energy but not of electricity. A standard 14-cubic foot refrigerator-freezer uses about 950 kilowatt hours of electricity per year. A frost-free model of the same size uses about 50 per cent more energy per year for this feature.

A frost-free refrigerator requires attention to make sure that it is not drawing power. A blocked condensate drain, for example, will cause buildup of ice on the coils and cut down on the cooling power. The condenser coils should also be wiped and/or vacuumed from time to time. On most models they are found at the back of the unit.

ST. ALBERT RECREATION REPORT

PARKS AND RECREATION BOARD

Residents are reminded about the public meeting which is scheduled to be held in Sir George Simpson School on Wednesday, March 19 at 7:30 p.m., when the facilities which might be included in the proposed recreation complex is to be the topic of discussion.

The Board is hopeful that all special interest groups will be represented - whether by individuals or by members of an organization. The information obtained from the suggestions and opinions of those attending the meeting will assist council in making decisions regarding the type of facilities included in the complex.

Written submissions will continue to be accepted by the Board. They should be sent to the Secretary, Mr. Bernie March, Town Hall, St. Albert.

PHYSICAL CULTURE

A six-week physical culture course for ladies will start on Thursday, April 10 in Sir George Simpson School. Margaret Thomson, who introduced this attractive form of exercising to Western Canada on her arrival from her native Australia some years ago, will conduct classes each Thursday from 8 - 9:30 p.m. till May 15.

Registrations are now being taken at the Department of Recreation in the Town Hall. The fee is \$6., 17 year olds can also register for \$3.50.

Because physical culture is very difficult to describe, anyone who is curious about this very pleasant way of

exercising is invited to come and either watch or participate in the last class of the present session which will be held on April 3 from 8 - 9:30 p.m. in Sir George Simpson School. Comfortable clothing allowing freedom of movement should be worn.

CHILDREN'S GYM

There are still openings in the six week children's gym class for six - eight year olds which will be held in Vital Grandin School, starting on Tuesday, April 8. The class will meet each Tuesday till May 13 from 4 - 4:45 p.m. and the cost is \$3.00.

The class for the four and five year olds is now filled. However, names are being taken on a waiting list and if there is enough interest, another class may be arranged which would start on Thursday, April 10 in Vital Grandin School and be held each Thursday till May 15 from 4 - 4:45 p.m.

Registrations and fees for the six - eight classes and names for the Thursday class for the 4's and 5's are being taken at the Department of Recreation in the Town Hall.

HERCULES SPORTS ASSOCIATION

A "Spring Frolic" is being planned by the Hercules Sports Association for Saturday, April 19 at 8 p.m. It will be held in the Community Hall and it would be a great opportunity for the parents of all the young people participating in the soccer and softball programs to get to know one another. Mark the date - April 19.

SOFTBALL

The second and last registration for girls' softball (8 - 10 years, inclusive) will be held on Saturday, March 22 in Robert Rundle School from 10 a.m. - 12 noon.

The signature of a parent or guardian is required on each form. Forms will be available at the time of registration or can be picked up at the Department of Recreation in the Town Hall prior to registration.

This program is sponsored by the Hercules Sports Association. A single membership in the Association costs \$6 and a family membership is \$9. The family membership entitles members of one family to participate in any of

the program sponsored by the Association which at present includes soccer and softball.

SOCCER

The final registration - the last of three - for soccer was held on Saturday, March 15. Gordon Beckwith, soccer director for the Hercules Sports Association, and his committee of co-ordinators, are now very busy making up the teams and apart from people who moved into St. Albert after March 15, no more registrations will be accepted.

There is a shortage of coaches and managers for the girls' soccer program and unless more help is forthcoming, many girls are going

to be disappointed. Lack of knowledge of the game should not prevent anyone from volunteering their services as either a

TOWN OF ST. ALBERT

PUBLIC NOTICE

(SECTION 311 OF THE MUNICIPAL GOVERNMENT ACT)

TAKE NOTICE that the Council of the Town of St. Albert, in the Province of Alberta, has given first reading to money Bylaw No. 5/75 which will, on final approval and ratification, authorize Council to borrow monies by way of debenture, to pay for the cost of the purchase of land within its municipal limits.

The estimated total cost of the aforesaid project amounts to \$1,200,000.00. After deducting from this cost the amount of nil, to be received by way of grants/contributions/revenue funds/donations, etc., the net amount to be borrowed on the credit and security of the municipality at large by the issue of debentures is \$1,200,000.00. The debentures are to be repayable to the bearer in ten (10) equal consecutive annual instalments of combined principal and interest, the interest not to exceed a rate of more than twelve per centum (12%) per annum.

NOTICE THEREFORE is hereby given by the Council of the Town of St. Albert that, unless a poll of the proprietary electors for and against the said debenture borrowing is demanded, as provided for by the terms of The Municipal Government Act, the said Council may pass the said Bylaw and submit it to the Local Authorities Board for final ratification and certification that a vote of the proprietary electors thereon is not required.

OF WHICH all persons interested are hereby notified and they are required to govern themselves accordingly.

NOTICE TO PROPRIETARY ELECTORS

A proprietary elector is -

- a person whose name appears on the assessment roll in respect of land liable to assessment and taxation for general municipal purposes, and
- a person who is liable for the payment of a mobile unit licence.

Five per cent (5%) of the proprietary electors may by petition request a vote on a money bylaw under the provisions of Sections 311 and 7 of The Municipal Government Act.

- The petition must be received by the municipal secretary within 15 days of the last publication of this notice and shall contain on each page an accurate and identical statement of the purpose and objectives of the petition.
- Each signature to the petition shall be witnessed by an adult person who shall take an affidavit that to the best of his belief the persons whose signatures he has witnessed are qualified to vote at a general election.
- There shall be set out opposite each signature on the petition -
 - the legal description of the property or other qualifications entitling that person to be a proprietary elector,
 - the postal address of the petitioner,
 - the occupation of the petitioner.
- A corporation of a church or other religious organization or an estate, the name of which appears on the last revised assessment roll as the owner, conditional owner or purchaser of land that is not exempt from taxation, may in writing authorize a resident representative to sign a petition on behalf of the corporation or a church or other religious organization or an estate.
- The petition shall be filed with the municipal secretary who shall, in accordance with the Act, compute the number of petitioners that have signed the petition and determine the sufficiency thereof.
- Every petition shall have attached to it a signed statement of a person whose name appears upon the petition, stating that he represents the petitioners and that he is the person to whom the municipality may direct any enquiries with regard to the petition.
- No name shall be removed from the petition after it has been received by the municipal secretary.
- If two or more money bylaws are advertised in a single notice, a separate petition shall be filed with respect to each bylaw.
- The date of the last publication of this Notice is March 26, 1975.

ST. ALBERT REC. NEWS

coach or manager. A coaches' clinic is being arranged at which those with little or no knowledge of soccer will be instructed in the basic rules and skills.

Not enough boys in the

juvenile age group (born in 1957 or 1958) indicated interest in playing to form a St. Albert team. However, any boys who have not already contacted Gordon

Beckwith (458-0100) can do so and he will forward their names for inclusion in a team in the Northwest Zone.

DEFENSIVE DRIVING

A defensive driving course will be held in St. George Simpson School each Tuesday evening from March 25 -

April 15 with a two-hour session from 7:30 - 9:30 p.m. each Tuesday. Registrations will be taken on the first evening and the cost is \$6 per person.

the location to be announced later. The annual general meeting will follow the supper and all club members are invited to attend.

The election of the executive will take place at the meeting. Anyone interested in allowing his or her name to stand for any of the positions is asked to contact one of the following members of the nomination committee: Hugh Puffer (459-6048), Louise Stanley (459-5221) or Ken Rothwell (459-5131).

GARDENING

A gardening "clinic" will be held on Tuesday, April 15 and Tuesday, April 22 in Grandin Clubhouse (beside the swimming pool) at 7:30 p.m. on both evenings.

Mr. Wally Klatt, district agriculturist, will give general guidelines on landscaping and gardening under local conditions. There will be no charge.

ARTS AND CRAFTS

The spring program being offered by the St. Albert Arts and Crafts Guild, in co-operation with the Department of Parks and Recreation, was advertised in last week's issue of the Gazette.

During the Easter holidays, children (8 - 12 years) can participate in multicrafts on April 1 and 3 from 10 a.m. - 1 p.m. each day. The cost is \$5 which includes supplies.

Also being offered are short courses and workshops in Ukrainian Easter Egg painting, basketry, spinning and dyeing, jewellery, macrame, primitive weaving and introductory ceramics.

For information about locations, dates, times and cost, please see last week's advertisement.

MEN'S SOCCER

It is some years since there was a men's soccer team in St. Albert and the Hercules Sports Association is considering the organization of a soccer program for men which would include all those above the midget category. (There is no upper age limit!) Mr. Brian O'Kell would be manager of the team if one is formed.

If interested, contact Gordon Beckwith at 458-0100.

Many folks talk economy, but few have the will to practice it.

VOTE

JOHN J. BAKKER,

LIBERAL,

ON MARCH 26

Easter 1975

"And very early in the morning the first day in the week they went to the tomb when the sun had risen." (Mark 16:2).

Their world had gone bankrupt! Jesus, the One that they had left on to follow, the One on whom the disciples had pinned their

hopes. He was taken as a common criminal... tried... condemned to death... from a distance they had seen Him die. They had hoped that this was He (the Messiah who was to lead them forth in victory) thus to establish a most promising Kingdom and way of life on this earth!

Now, nothing but the same old story - death, devastation, despair!

How much their world is like our world of 1975! Man has been trying to build a kingdom and a way of life, guaranteeing a potential, promising future, only to be met with insurmountable problems that gnaw at our vitals and threaten our very life from every side. God, morals, ethics have no place in a culture that centres in man, where man is the master and maker of his own destiny. Thus man (you and I) have created a world devoid of God, where even the Church is crammed to the hilt with humanism. Voices from every corner and facet of our culture and society cry out: "Away with Him!" "Crucify Him!"... we have no time or place for God! God hangs in the distance on a Cross! The world that we have created closes in on us... we are left with 'our type of world on our hands' and like

orphans lost is the darkness of the woods... we are afraid... we even detest the kind of a world we have created!

Is there any hope? Is there any way out of our suffocating dilemma? As we read in Joel 3:14 "Multitudes, Multitudes, crying out in the valley of decision," everywhere people seeking, looking, inwardly crying out: "Oh that I knew where I might find Him..."

What a joy to know that Jesus was taken down from that Cross... buried in a grave... but bursting the bands of sin, Satan, and death Jesus gloriously arose! We read "very early in the morning the first day of the week they went to the tomb when the sun had risen..." and all of History takes on a new, powerful direction from a graveyard!

Yes, when the sun had risen... Oh what a sunrise! What a morning! The grave was burst! The stone was rolled

away! Jesus was RISEN! A new day! A new age! God is reconciled! Jesus is victorious! The power of death is broken! The devil is defeated! Hell itself trembles! Jesus, the Saviour of the world, lives! On the Cross, Jesus carrying the burden of sin and guilt of a fallen humanity, cries: "It is finished" and dies! God's reply (who saw the travail of His soul and was satisfied) is the glorious message: "He is Risen." Now Heaven is open! The sun of God's Mercy and Love is again shining, Jesus is given the keys of life whereby He can set men free from sin and guilt, calls out to all men everywhere: "Repent of your sins... turn from your

wicked, sinful ways... and receive The Gospel... believe and you shall be saved."

What a message to share with all you dear friends in St. Albert! You need no longer live in the graveyards of death, devastation, and despair... all sorrow, distress, fear, and frustration must take its flight...

JESUS LIVES! Try Him... and see what a tremendous change will come over your life, your home and family, yes, every area in which you live, move, and have your being!

"Come Alive in '75"

Baha'is to make the New Year

On Friday, March 21, the Baha'is of St. Albert will join members of the Baha'i community throughout the world in celebrating the Baha'i New Year.

Locally, the event is being celebrated Thursday evening March 20 at 8 p.m., at 76 Sunset Blvd. All are invited to attend the evening of music, some presentations from the Writings of the Baha'i Faith, films and food.

Mrs. Ruth Eford, chairman of the St. Albert Assembly explained that the Baha'i Faith, which originated in Iran (then Persia) in 1844, has a calendar of its own. The Baha'i calendar is based on the solar year and consists of 19 months, each with 19 days. The year is equalized by four intercalary days (five in leap year) preceding the last Baha'i month. The new year coincides with the vernal equinox.

Prior to the New Year, Baha'is the world over observe a 19-day period of fasting from sunrise to sunset fasting from sunrise to sunset to refresh and invigorate their spiritual lives. They celebrate the new year at the advent of spring, a time which mankind naturally associates with renewal and rebirth.

Baha'is believe that Baha'u'llah, whose name means "The Glory of God," is the Prophet of God for this day and that He has come to usher in a new era in human development when all peoples of the world will be united. Some of the principles upon which this unity will be based are the need for a world government, the elimination of prejudices of all kinds, recognition of the equality between men and women, the need for a universal auxiliary language.

for unity between science and religion, and for universal compulsory education for children.

For further information about the Baha'i Faith or the Thursday evening celebration, call 458-0447 or write P.O. Box 87, St. Albert.

Bahai Faith

O SON OF SPIRIT!

The spirit of holiness beareth unto thee the joyful tidings of reunion; wherefore dost thou grieve? The spirit of power confirmeth thee in His cause; why dost thou veil thyself? The light of His countenance doth lead thee; how canst thou go astray?

-Baha'u'llah

For Information write - P. O. Box 87, St. Albert or phone -- 458-0447.

VITAL GRANDIN SCHOOL

presents it's 5th annual

FLEA MARKET

March 25, 6:00-8:30 p.m.

Vital Grandin Gym

WE NEED:

- *appliances
- *books
- *lots of baked goods
- *toys
- *household goods
- *jewellery
- *sports equipment

- *clothing
- *pictures
- *art objects
- *dishes
- *knic knacs
- *tools
- *furniture
- *garden tools
- *etc.

Here is a chance to get rid of unwanted items and at the same time to help a worthy cause. Deliver the items to the school at 39 Sunset Blvd., or phone 459-7418 for pickup. All proceeds go to the Share-A-Lent - Third World Projects - the Missions in South America.

P.S. -- Baking is always in great demand - please help us by bringing baked goods along with your items -- come to the Flea Market -- It's fun!!!

SEE YOU THERE!!!

Historic St. Albert RCMP outpost looks set for new lease on life

St. Albert's historical Northwest Mounted Police outpost could be facing a move to a park site by the Sturgeon River and future use as a stop-in point for tourists going north.

The outpost, known as the Belmont property, which is now near the Lion's Park, has a history going back to 1888. It was used by the RCMP as late as 1910, before the force began to service St. Albert from Edmonton.

Garry Johnson, secretary-treasurer of the Midnight Twilight Tourist Association said Sunday that St. Albert had agreed to the MTTA's request that the outpost be used for a tourist information booth and Chamber of Commerce office.

Mr. Johnson was speaking at a meeting of the MTTA March 9 in Morinville sponsored by the Morinville Board of Trade. This was the first time the Association had met in the town, and the meeting was attended by directors from Barrhead, Athabasca, Slave Lake, Westlock, St. Albert, Faust and Kinuso. Mayor Art Stapleton of Morinville was also at the meeting.

Site for the permanent office is expected to be near the river at the corner of the St. Albert Trail and Sturgeon Road. It will cost \$15,000 to have the former RCMP outpost moved, restored and rebuilt and the building will also be looked over to see if it can stand the move to the park site.

So far the St. Albert Lions have approved \$1,000 for the project and renovation and the St. Albert Historical Society are expected to give \$3,000.

A matching grant to cover the project will be applied for by the MTTA.

Students could man the booth part of the time under a STEP program, it was suggested at the meeting. The booth may also be used for selling crafts made by the St. Albert Arts and Crafts society.

IN OTHER MTTA business, the meeting was told that the aim to get moving on a northern scenic route from Dawson Creek to Winnipeg through northern Saskatchewan had been foiled by Saskatchewan. Mr. Johnson said that "things had seemed OK" at a recent inter-

provincial meeting and it was "kind of sad that Saskatchewan had fallen down."

MAYOR ART Stapleton of Morinville commended the MTTA for its wonderful accomplishments and requested the Association to contact the town through Secretary Paul Brochu for a resume on Association activities to council.

THE MTTA decided to cancel its booth at Edmonton K-Days. It will now be set up at the Edmonton Boat and Trailer Show, March 12 - 16.

REGULAR EVENTS

MONDAY - 7:45 p.m.
Camp Lacombe Bingo in Parish Hall.

WEDNESDAYS - Community League BINGO, Community Hall, St. Albert.

THURSDAY - 9 a.m. to 3 p.m. Mother's Day Out program. Bookings - 459-4534; Volunteers - 459-4746.

so that the "sporting" section of the public can be directly reached. This decision was partly forced on the MTTA for financial reasons, not because the booth was ineffective during K-Days.

The booth will continue to be on tap at the Calgary Stampede.

NEXT MEETING of the MTTA will be held at Faust with the date left open.

BILLBOARD

WEDNESDAY, MARCH 19 - 7:30 p.m. Public Meeting re. Recreation Complex - Sir George Simpson School.

WEDNESDAY, MARCH 19 - Regular meeting St. Albert Protestant School Board #6. District offices - 60 Sir Winston Churchill Ave. 7:30 p.m.

So much more can be done for these children

For a person with no previous contact with Down syndrome (or Mongoloid) children it is an eye-opening and warming experience to be in a room full of wee boys and girls from babies to age five or so. They are so energetic and it is surprising to see them get around and do things, even though they cannot walk and run like normal youngsters. They have their own styles of getting across a room, getting attention from mummy or daddy, feeding themselves and so on. Many looked physically strong and very healthy.

The occasion was a meeting at the home of Mr. and Mrs. Stevens-Guille for parents, members of the media and of the Gateway Association to meet and talk with Dana Sauer of Vancouver who was finishing a week's tour of Alberta centres, to explain the VARCO program. She is in charge of this Infant Stimulation program of the Richmond Association for the Mentally Retarded, and her enthusiasm about the potential of mongoloid children is infectious.

Dana is familiar with the work being done for these children in Seattle from the time they are born. "I keep up with everything they are doing and read all of their material." But she is quick to point out an important difference in her own approach to working with Mongoloid kids from birth to three years. "Ours is a home centered program," said Dana. "I go right into the home - perhaps with a speech therapist or other resource person - and we teach the mother our techniques. She is the one who must understand what we are trying to accomplish and how, for she will be spending the most time with the child. The Seattle program is set up for bringing the children to a centre. Dana feels also that the parents will respond to children differently, and their family attitudes will have a bearing on how they handle and teach the child. The children are also put into play groups and develop through seeing - touching - hearing playtimes, aimed at teaching motor co-ordination.

Lillian Bass and her daughter were at the meeting and the other parents were interested in how her

17-month old daughter Paula had accomplished walking, eating and toilet training although born Mongoloid. Paula was in Dana Sauer's Varco program until her parents moved to Edmonton recently. "Try mirrors," she told them - you will be surprised at how a mirror, placed where he can readily see it, will stimulate your child."

Most of the parents and children were from Edmonton but one couple brought their child from Leduc. All of them felt that everything possible must be done in Alberta to improve the opportunities for mongoloid children. The government came in for criticism and so did the professional people.

One woman said she was really upset while still in hospital that her doctor asked if she had considered putting her child directly into an institution. "It never once occurred to me," she stated emphatically, "this was my baby!"

Dana Sauer, formerly a teacher in rural B.C., had become interested in helping mentally retarded children from that experience - and she also said some professional medical people were slow to admit that these children could in fact be taught and had more potential than has been commonly believed. Other doctors she noted were tremendously helpful - and particularly if they had such a child of their

own.

Also attending the meeting were Dr. Don Fahey, an assistant professor of rehabilitation medicine at the University of Alberta and a fourth year student from the university who have been working with some mongoloid children since last fall. "If you get them early enough there is as yet no telling what they can do," said Dr. Fahey. Mrs. Gloria Shade of St. Albert, president of the Gateway Association also attended.

St. Albert MLA Ernie Jamison, a founding member of the Gateway Association spoke to the parents, saying that when the Association request for assistance is in, and they state what they feel

is best to be done, he foresees no difficulty in obtaining government funding, and assistance with programs such as the Varco, and facilities.

Leaving the home of Mrs. Steven-Guille after two hours, the most predominant impressions left were of the affectionate, loving little people who love to be held

close and reward you with such beautiful smiles - and the mothers who so suddenly in hospital must face up to a whole new way of life, when they are told they have a mongoloid child. The love and care they lavish on these children should surely make them among the most deserving of recognition in International Womens Year.

Thank you

We wish to say a sincere thank-you to all our friends after the recent loss of our father. Thanks also to surgeons and staff of Sturgeon General Hospital. Very special thanks to Sisters and staff of the Youville Home who helped make his stay there a happy one.

THE HOULE FAMILY.

Comets eliminate Pirates - now face Park Barons

St. Albert Comets advanced along the Intermediate B provincial playoff trail last weekend with a pair of close wins over the Falher Pirates. Comets won the opening game in St. Albert

RANDY CLARK

Badminton Tourney

The Sturgeon Valley Badminton Association is holding a novelty badminton tournament for all association members on Friday, April 18, 1975. All members are restricted to entering two events from the following - men's singles, men's doubles. All doubles teams will be decided by a draw. Entries should be phoned into Sally Hudson (459-4868) or Peggy Hutchison (458-0887) before April 11, 1975. All badminton dates at Vital-Grandin School are cancelled from March 24 to April 7 inclusive.

Saturday night with an exciting 5-2 win and then followed up with a 4-1 victory in Falher Sunday afternoon. Comets took the two-game total goal series 9-3.

St. Albert now advances into the Northern Alberta finals against Sherwood Park Barons who were beaten by the Lloydminster Border Kings. Game dates are not available at the moment as both teams are having problems getting ice.

The Comet-Falher series started off to be a very exciting entertaining game with both teams going all out in the opening period which ended in a 1-0 score for the Comets on Harvey Kirkland's goal at 14.48. Pearn and Beaulieu drew assists on the play.

Both goalies, Comet's Mike Stewart and Pirates' Marcel Hebert thwarted many fine scoring chances and had it not been for their play, the score very easily could have been in double figures.

Comets took a 2-0 lead at 4.30 of the middle period on a goal by Randy Clark with Brian Stevens and Beaulieu setting up. Clark scored his second goal of the period at 9.45 on a screened shot from close-in that Hebert had no chance on. Stevens and Paul St. Cyr helped out on the play.

Comets Paul Fatijewski went off for cross checking at 17.10 and 20 seconds later Richard Fournier scored on the Pirates powerplay with an unassisted goal. The second period ended with the Comets ahead 3-1 although

the score could very well have been reversed had Stewart not been superb in the Comets net.

St. Albert went ahead 4-1 on Stevens breakaway goal at 3.15 of the third with Clark and Monson helping out and at 8.15 Perry Pearn scored on the powerplay to give Comets a 5-1 lead.

Pirates scored the final goal of the game on a deflection by Rene Desaulnier at 10.13.

The game was exciting throughout and was by far the best seen in the arena for a long time. Falher has a good skating club as the Comets have faced all year and even with the three goal lead, many fans were not counting the Pirates out of the playoffs.

Comets with a busload of loyal fans left St. Albert at 6 a.m., Sunday morning for the 2 p.m. game in Falher with spirits high.

Falher didn't skate anywhere like they did in St. Albert only 17 hours earlier and were only in the game for the first period when they scored the opening goal at 4.06 with Rene Reade beating Zane Jakubec who replaced Stewart in the Comet goal for the second game. It was the last goal for the Pirates as St. Albert completely dominated the remainder of the game and outshot Falher 51 to 29.

Pearn tied the score at 6.44 of the first period with brother Bob getting the assist. Kirkland made it 2-1 late in the second period with Perry Pearn and Dale Ripple helping out. Bob Beaulieu and Paul St. Cyr rounded out the scoring in the third period to give Comets a well deserved 4-1 win and the series. Jakubec was very steady in the Comet nets and along with Stewart will keep the team in the hunt for the B championship.

Comets took 11 of 17 penalties called in Falher while Pirates had six of 10 infractions called in St. Albert. Falher was probably the cleanest team the Comets have played all year and the fans enjoyed the end-to-end action.

Villeneuve wins trophy - Morinville fights hard

Tuesday, March 11, ended the hockey season for the Sturgeon Valley Senior Hockey League with Villeneuve bringing home the cup.

The game played Tuesday was by all means the best game of the total series. Fans will not soon forget the tremendous effort our team displayed and the fast pace they kept up from the first period to the third. Opening the game Cy Klassen put one past John Downs to score for Villeneuve, but before the

period ended O'Neil Chevalier came through with Morinville's first goal to tie the game.

The second period started and it appeared neither team had left the ice. The speed and style of hockey was as good as the first period. During this 20 minutes Morinville really pushed and with plenty of help from goalie John Downs allowed Villeneuve to score only once while Morinville's Dexter Dersch and Fred Hesse put singers past Villeneuve's

goalie Ken Kachuluk.

One up, and on the ice for the last period Morinville continued to push for goals but despite many attempts, failed to score again. Villeneuve on the other hand put two in.

Excitement ran through the packed arena throughout the entire game. It was really an anyone's game to the very end. No one could ask for better hockey. Six penalties were called through the game - each team taking three.

FIRST IN THE "A" event of the St. Albert junior high and high schools bonspiel last Saturday at the curling rink are from left: Betty Nolan, Don Provencal, Cliff Greening, and Norm Tinker [skip]. The following firms donated awards for the contest: Steam-rite Carpet Cleaners, Heyden Construction Ltd., Terry and Pat Mowbrey, Emery's Pipe Shop, LBH Home Improvement Centre, Alberta Radio and TV and the Klondike Inn.

New Holland Combines make it to Provincials

After a hard fought year St. Albert's Pee wee New Holland Combines find themselves just one step away from being Number One.

And this Saturday at 6 p.m., in the St. Albert Arena, the Medicine Hat Flyers will try to end a winning streak for the local team. The way these have been playing the visitors will have their hands full. Whatever happens the game promises fantastic action and for what could be the last home appearance, it would be great to see a capacity crowd on hand to support these peewees. They sure deserve it and those fans who have followed the team this year will agree. The home and home series will be decided on two-game total points.

This past weekend the team proved they were champions as they handled Sherwood Park 6-4 in the league final. The game as usual was another barn burner, and Big Brad Scott turned out to be the hero, coming up with three goals with his booming slapshot from the point.

But the game was won with only two seconds left when Ken Myck scored into an empty net. Then with only 57 seconds remaining and a 5-4 lead, St. Albert found themselves two men short, plus the Park pulling their goalie - a tremendously

exciting finish.

After the whistle blew it was quite a sight, with gloves, sticks and helmets all over the rink as the kids showed their happiness in winning the North Central Pee wee League Trophy. It was presented to Captain Troy Murray by League President, Mr. Bud Lough of

Sherwood Park. The players, coach and manager all received individual trophies, mementos from the League.

For those fans who have yet to see the Combines in action, Saturday's game at the arena is your chance to see these youngsters perform. See you all there - 6 p.m.!

Barons again capture Midget zone championship

Stemmed time after time Saturday by Jasper's extremely hot-handed netminder, St. Albert's Sportshop Barons Sunday turned on the power and steamrolled to a convincing 8-4 victory and the west central midget "B" zone championship.

The Barons successfully defended the zone title the same team captured one year ago, although this year's Barons had 12 new players.

Upset 3-1 Saturday on home ice, the Barons roared back in Jasper 24-hours later and swamped netminder Luiz Gatti with two goals and eight goals, to capture the two-game total goal series 9-7.

Centremen Real Huot with three goals and assist in the two games, and Lloyd Olson with two goals and three assists, sparked the Barons to their zone win, but the victory could only be labelled a truly team effort.

The Barons got extremely strong goaltending in both games, with Wayne White stopping 22 of 25 shots in the opener, and Dennis Laflure stopping 22 of 26 in Jasper.

Saturday in St. Albert, the Barons peppered Gatti from every angle, but couldn't dent the twine until 7:50 of the third period when Huot took a pass just over Jasper's blue line, cut around his check, and then beat the Jasper defenseman who was hanging all over him.

Huot, from a sharp angle, cut in on Gatti and pulled him to his glove side, then dumped it in along the ice against the far corner.

Jasper led 1-0 after the

first period, and 2-0 after the second, on goals by Gary Hilworth and John Hartman. Marvin Seard upped the count to 3-0 on a shot that deflected in off a St. Albert defenseman's stick, three minutes into the third period.

St. Albert outshot Jasper 12-7 in the first period and 18-9 in the third. The Barons were forced to play one man short during the dying minute of the first period and the first four minutes of the second when Ron Sander was ejected for butt-ending a Jasper player during a minor scuffle.

The Barons also had to play two men short for 67 seconds during that second period span, as Graham Brown took two minute minors for slashing.

The Barons successfully defended during the shortage.

In Jasper, Paul McCann started the Barons off on the road to victory when he hammered home a power-play rebound from Huot just three minutes into the opening period.

Two minutes later however Jasper's Hilworth stole the puck on his own blue line while killing another Jasper penalty, and raced in all alone to beat Laflure cleanly.

Olson's first goal at 12:15 of the first period narrowed the series lead to just one goal for Jasper, as he beat Gatti from close in while St. Albert had the man advantage.

Olson also scored St. Albert's third goal, also a power play effort, after he stepped out from the penalty

box and teamed up with defenseman Earl Evaniew, beating the Jasper netminder from 10 feet.

Olson had been hick-sticked at the end of the first period and drew a two-minute minor, while Jasper's Ed Neis drew a minor and a major for drawing blood.

Still on the power-play, St. Albert upped the count to 4-1 at 4:08 of the second period when Mark Harmon picked the corner on Gatti, after he took a pass out from behind the net from Olson.

Perry Wall got one back for Jasper at 6:02 on a Jasper powerplay, and then 26 seconds later Peich Caltré made it 4-3 when he deflected a drive by Laflure for the goal.

Dave Keiser grabbed a pass four minutes later from Dave Shipanoff and Blake Millroy and beat Gatti cleanly on a breakaway, but the referees ruled the pass was made from a high-stick and nullified the marker.

Six minutes later Keiser had a wide-open net after St. Albert was pushing, but deflected one high off the crossbar and into the stands.

Earl Evaniew's goal from the edge of the goalcrease

2-40 into the third period gave St. Albert a 5-3 game lead, and again tied the series. However Jasper's Michael Wariuta got that one back three minutes later.

Huot's first marker of the contest at 8:20 again tied the series, and the defenseless Gilbert Longpre combined with Lloyd Olson and Rod Olsen for the nicest goal of the game, and the eventual winner.

With 12:50 gone in the period, Rod Olsen fed his centremen just at the Jasper blue line, then Lloyd Olson sent the puck ahead to Longpre who had cut in and beat the lone Jasper defender.

Longpre pulled Gatti and backhanded the puck high, to St. Albert into a 7-4 lead.

Six seconds later Huot's insurance marker capped the St. Albert comeback. Huot won the centre ice faceoff, skated in and deked the Jasper defender and walked in all alone on Gatti, beating him low on the stick side.

About 40 St. Albert residents made the trip to Jasper, then had to fight a snowstorm for two-thirds of the way home.

Midget pickup team wins Redwater tourney

A pickup team of midgets from the Kinsmen Minor Hockey House League played the finest three games of their young careers last weekend and came away with the Acme Construction Trophy for winning the Redwater Midget hockey tournament.

The Sportshop Barons Double B team was originally slated to play in the tournament but their provincial playoffs with Jasper prevented them from doing so. Tournament directors allowed an all-star team from our house league to enter and the performance coaches Gordon MacLeod and Don Lavoie got out of the players selected was fantastic.

Friday night the St. Albert team took on favoured Fort Saskatchewan and came away with an impressive 6-3 win. The first period ended in a 3-3 tie with Blair Iscke, Larry Hubbs and Blaine Galbraith scoring for St. Albert. Kelly Kavic scored a pair for the Fort while Jim Lameroux added the other.

St. Albert goalie Neil MacLeod then shut the door and turned in shut-out performance for the remainder of the game while his team-mates added three in return. Jim Scheibelhofer scored the winning goal early in the second period with Lory Loshak and Brian Sorenson scoring in the third period.

St. Albert's second game was played Saturday afternoon and allowed Glenwood to score the only goal of the opening period. St. Albert put it all together in the second as Lory Loshak, Ron Bruinink and Larry Hubbs scored to give them a 3-1 lead going into the final 20 minutes. Mike Mitchell scored with only 27 seconds gone in the final period on a long slap-shot and was followed

by Brian Sorenson and Bill Sexsmith for a 6-1 win and a berth into the finals. Kevin Jennings was outstanding in goal for St. Albert and was given the nod for the final game against host Redwater.

Redwater forgot about back-checking early in the opening period and found themselves down 2-0 on a pair of goals by Doug Langridge before the period was halfway over. Jennings didn't have too much work in the period but made a couple of excellent saves when the occasion arose.

Redwater just ran out of gas and was probably because they had played a game earlier in the day to advance to the final.

St. Albert raised their lead to 4-0 on second period goals by Larry Hubbs and Blaine Galbraith to take a commanding lead going into the third period. Lawrence Frank scored St. Albert's final goal on a backhand shot. Redwater goalie didn't seem to see until it was past him.

Jennings shutout was spoiled with only six minutes left in the game when St. Albert failed to clear the puck in front of the net and allowed Art Billodeau to bang it home. Redwater took six of the nine penalties called in the game which was very evenly played.

Following the game trophies were awarded to the top performers with the Continental Enisco Trophy for the Best Defenceman going to Mike Mitchell of St. Albert. The Acme Construction Trophy was presented to coaches MacLeod and Lavoie and is now on display in the St. Albert Sportshop. Each player was presented with very nice individual trophies to keep.

The Redwater Minor Hockey Association is to be congratulated on running a first class tournament. A much appreciated gesture was the serving of no charge lunches to the visiting players.

A good number of St. Albert fans made the trip and were very vocal in cheering the team on.

St. Albert boys participating in the tournament are as follows: Kevin Jennings, Neil MacLeod, Kelly Hancock, Mike Mitchell, Lawrence Frank, Don Ouellette, Doug Langridge, Larry Hubbs, Travis Parayko, Ron Bruinink, Blair Iscke, Blaine Galbraith, Dean Roy, Jim Scheibelhofer, Brian Chambers, Brian Sorenson, Ron Lastiwika, Jim Stewart, Lory Loshak, Bill Sexsmith and Stuart Mitchell (equipment manager).

Chiefs sweep zone final with 7-4 win over Drayton

St. 'Albert Fire Chiefs came up with a pair of 7-4 victories over Drayton Valley Norette Oilers last week to win the Zone 4 championship in provincial bantam playoff action.

St. Albert had earlier sidelined Stony Plain, Leduc and Barrhead while Drayton had knocked off Edson and Jasper.

They now meet Wetaskiwin in a two-game total-goal

series, which will open in St. Albert Arena at 7:45 Thursday night.

The first period in the second game of the series in Drayton Sunday afternoon produced some of the fastest

action Chiefs have seen this season.

Trailing by three goals after the first game in St. Albert on Thursday, Oilers opened quickly at home Sunday carrying the play to

Chiefs on nearly every shift. And even when Chiefs got the opening goal, it didn't take any wind out of Oilers' sails and they got on the scoreboard themselves at the 16.40 mark.

But with an 8-5 series lead going into the second, Chiefs all but wrapped it up when they scored two goals in a span of 27 seconds at the halfway mark. They added two more before the period ended for a 5-1 game lead and 12-5 series lead.

Chiefs were outscored 3-2 in the final period but by that time Oilers were out of it.

Rick Kreway and Larry Sander each scored twice for Chiefs. Dave Fraser, Murray Riddell and Kenny Young got the others and each also added an assist. Peter Tworek had two assists, one of them one of the neatest plays of the night as he worked his way out of the corner to feed Sander in the slot.

Chiefs collected six penalties in the game. Drayton Valley took nine.

At home on Thursday, Chiefs held period leads of

2-1 and 5-3.

Tworek led the club with three goals; Kreway had two goals and an assist; Riddell a goal and three assists and Sander a goal and two assists.

Chiefs collected seven penalties; Oilers had seven.

The two weekend victories were Chiefs' seventh and eighth in nine playoff games, including league and provincial, this spring. Their over-all record for the season is now 24 wins, six ties and nine losses. Five of the losses came at the hands of one team, Leduc Blades.

Chiefs have a very busy schedule this week. They play Fort Saskatchewan in the first game of a best-of-three semi-final in the Central Alberta Bantam Hockey League tonight at 8 at Fort Saskatchewan, then play Wetaskiwin in the provincials here at 7:45 Thursday night. They travel to Wetaskiwin to wind up that series on Saturday, then play here at 4:30 Sunday afternoon against Fort Saskatchewan.

Larry Sander comes 3rd in scoring

Larry Sander of St. Albert Fire Chiefs finished in third place in scoring in the Central Alberta Bantam Hockey League this season.

Sander had 55 points, which included 30 goals. He finished behind two Leduc players, A. Vanderlee who had 78 points and R. Bartlett who had 73.

Others high on the scoring list were J. Barilko and Pat McGill of Leduc, with 48 and 44 points respectively; W. Lamb of Fort Saskatchewan with 42 points; and J. Gotaas and R. Stollery of Camrose, with 42 and 41 points respectively.

Ken Young was second in Chiefs' scoring with 35 points, including 21 goals.

Sander and Allen Walters tied as Chiefs' highest penalty getters at 55, but their combined totals barely surpassed the 105 minutes assessed Barilko of Leduc.

R. Ripple of Fort Saskatchewan had 98 minutes; D. Pezderik of Wetaskiwin 97 minutes; D. Harms of Leduc 82 minutes and W. Lamb of Fort Saskatchewan 81 minutes.

A man sitting at his window one night casually called to his wife:

"There goes that woman Frank Harris is so terribly in love with."

With that, his wife in the kitchen dropped a plate she was drying, ran through the door, knocked over a lamp, and looked out the window.

"Where, where?" she cried.

"There", he said, "that woman in the gabardine suit, on the corner."

"Why, you big idiot," she replied, "that's his wife."

"Yes, of course," he answered with a satisfied grin.

Education costs from thousands to millions of dollars in 34 years

By Jim McIntyre

A yellowed document produced at the end of an annual school division meeting at the Bon Accord school Monday night brought out gasps from the audience.

Just as an afterthought to the annual meeting of the Sturgeon School Division #24, Chairman of the Division John McDonnell waved the 1941 annual financial statement in front of the 19 persons who attended the meeting from which they could draw their own conclusions.

Admittedly there was a war on at the time and a depression but these are the comparisons cost wise between operating Sturgeon school division now and 34 years ago.

Total operational costs for the year 1941 in the division

were \$129,770.18. Total for the year 1974 - \$2,806,421.57

Teachers' (108) salaries in 1941 cost the division \$73,332. One hundred and eight teachers in 1974 cost \$1,378,637.00. There was no doubt expressed that the teachers were worth that money and recently Sturgeon teachers have just successfully negotiated a 21.2 per cent pay rise with the division.

Total revenue for 1974 was \$2,738,456.72 with a total deficit of \$67,964.85. This can be expected to be

recovered from a \$43,925 increase in the supplementary requisition than was budgeted for last year. A \$1,841,231 increase in the equalized assessment over 1973-74 is also expected to bale out Sturgeon school division in program developments, school buildings and salaries, and other areas which make education tick. Also the division told the meeting that there is another \$169,000 handy for Sturgeon under a new provincial government financial formula.

However, with talk of

continually rising costs, and the sheer impossibility of building schools like Sturgeon Heights at the prices of yesteryear, the division expresses concern. Superintendent of the school division Frank Robinson told the audience that the Education Minister had promised to review support prices for schools every six months during this time of rising costs and inflation.

He said that the Minister was also impressed with the sincere support of Sturgeon ratepayers for their own high school at Nainoa, many of

whom are petitioning for government support.

In the event of Sturgeon students being ousted from Edmonton schools - whether or not the Nainoa facility is built - people were assured by the board that there was a fair assumption the Minister would have to intervene if events reached such a pass.

In his annual report Mr. Robinson spoke of the extension of the elementary resource room program into junior high school grades. This is to upgrade the basic skills of students with learning deficiencies. Seventy-six students are registered in this program which is housed at the Nainoa school.

Two special classrooms have been moved to Nainoa to provide services for mentally handicapped students in the division. The move to Nainoa has also reduced the distance these students might otherwise have had to travel for such services. Special grants have been made available for special education services in the division.

Five hundred and seventy-three high school students are in regular programs outside the division an increase of 52 from one year ago. Hence the move to get a high school at Nainoa.

Kindergarten classes have been established at Bon Accord and Horse Hill a total of 160 students from 4½ to 5½ years old. This program does not infringe on the grade one curriculum and parents have considerable say in the program development.

Teachers in the division with four or more years of training have gone up from 77 per cent last year to 81 per cent this year.

There has also been a one-half per cent increase in the teacher pupil ratio - 20.0 - 20.5 from 1973-74.

Permission has been obtained from the School Buildings Board, Mr. Robinson's report points out, for the building of a community care addition to the Gibbons school. This should be ready for next fall and will alleviate the pupil accommodation problem at Gibbons.

In his report Mr. McDonnell said that financing school operations was a continuing problem to the Board of Trustees. He added that the present inflationary trend has resulted in the sharp increase in the cost of goods and services which is reflected in the school budget.

From his own point of view, in answer to a query from the floor on how he managed his board duties on \$5,492, he said the job of trustee was becoming more and more demanding. He hoped to make ends meet and he was addressing his predicament to all the trustees in Alberta.

He pointed out that although there have been displays in getting government approval for the Nainoa high school, the Board remained optimistic that its plans would materialize in the near future.

Earl Toane, NDP candidate for the St. Albert constituency accepted to chair the meeting.

Ottawa should end work stoppages

The federal government must assume all responsibility for work stoppages which have once again halted all grain movement, according to Uniform President Dobson Lea.

In a telegram today to Acting Prime Minister Mitchell Sharp, Mr. Lea said the government should recognize its obligation to take parliamentary action immediately to end work stoppages by federally employed grain weighers and samplers, and longshoremen at West Coast ports.

The Uniform president pointed out that major producer organizations have demanded legislative and other changes that would prevent the continuous round of work stoppages which have plagued the grain industry particularly over the last few years.

"The federal government has ignored this advice and appears to be content to provide over the economic chaos arising from its failure to act."

Mr. Lea says he is not opposed to the right of

workers to attempt to improve wages and working conditions, but blames the present system of resolving labour-management disputes for inviting actions which result in irreparable damage to the national economy.

"We have asked the federal government to take steps that would subject all labour-management disputes which seriously effect innocent third parties, and which have not been settled in a fixed period of time, to compulsory arbitration by a body as impartial as our judicial system is," he says.

The Uniform president says the federal government must have the courage to tackle the problem head-on, if economic disaster is to be avoided.

Coronado voters please note

The Returning Officer has confirmed that voting in the Provincial Election on March 26th will take place in the Coronado Community Hall - and NOT at the home of Adlard Michael as formerly. This information was previously in the Proclamation from the Returning Officer in the March 5th issue of the Gazette.

A good time to treat for wild oats is when you have time. In the fall.

Fall-applied Avadex® BW granules lock into the soil. Give early preemergent wild oat control in wheat, barley, rapeseed and flax.

Applying your wild oat herbicide now can save time during your busy spring planting season. It also avoids possible wet weather delay in the spring.

Avadex® BW granular herbicide by Monsanto is easy to use. No water, no mixing. Avadex BW granules can even be used on stubble, trashy or cloddy soil to save time and labor. Just apply Avadex BW granules after October 1 and before soil freeze-up and incorporate within 48 hours. Avadex BW hibernates through the winter, then goes into action against wild oats early next spring.

Avadex BW granules can control wild oats before they can rob young wheat, barley, rapeseed and flax of moisture and nutrients. And Avadex BW controls the wild oats that can rob you of crop yield. Apply Avadex BW granules now—in the fall. And leave an untreated strip to check Avadex BW effectiveness next spring. Avadex BW... for wild oat control in your wheat, barley, rapeseed or flax. Always read and follow the Avadex BW label directions. Monsanto Canada Ltd., Montreal Quebec.

Whole gamut of issues at election forum

THE FOUR CANDIDATES for the St. Albert Constituency in the upcoming provincial election March 26 take a pause in Morinville's Legion Hall while they are being introduced by chairman Roger Blackburn. Taking part in the forum from left are: Sacred Keith Everitt, Liberal John Bakker, NDP candidate Earl Toane and PC Ernie Jamison.

Syncrude, better land use, transportation, and lavish government special warrants were singled out for airing at an election forum in Morinville, March 13.

Barely 40 people turned out for the forum at the Legion Hall where four candidates, PC Ernie Jamison, Earle Toane NDP, John Bakker, Liberal and Keith Everitt, Social Credit gave their platforms and rebuttals and answered questions from the floor. The forum was sponsored by the Morinville Board of Trade and chaired by Roger Blackburn.

Leading off, Mr. Jamison preferred to stick to local issues, dealing with transportation, education industry, care for senior citizens and the growth of Morinville.

He said he favoured controlled growth for Morinville. He did not wish to see the town overloaded with taxation for water and sewage projects, and described the government's assistance program, and developers participation.

Mr. Jamison told the audience that Education Minister Lou Hyndman (who visited Morinville with the MLA on a tour of the area March 12), was much interested in the imaginative concept of the proposed Place St. Jean Baptiste as a focal point for cultural, recreational and civic activity in the central core of the town. He noted also that Mr. Small of Forest Glenn Dixie was also excited with the opportunity to plan the new subdivision to tie in with this concept.

Mr. Jamison also announced that 400 children at the convent school, which dates back to 1908 will soon have an eight core - six plug-in school facility while the "yellow" school could possibly be considered for a senior citizens recreation centre.

Referring to 1971 when there was a great demand for senior citizens lodges, he pointed out that 66 lodge projects had been approved over the past three years. Mr. Jamison also looked to the twinning of Highway 2 which was not getting too plugged up and also the use of rapid transit using the railway, to get people from

the Sturgeon area down to Edmonton. He was optimistic about small industries locating in Morinville - manufacturing plants of about 20-25 people and suggested the Board of Trade could assist council in this respect.

Grants would also be made available for a recreation complex in Morinville.

Mr. Toane said that Albertans and Canadians were becoming increasingly concerned about agricultural policy saying that there was a great need to put the brake on concrete jungles. "We must make the best use (of the land) because of the world food situation," he said, expressing concern that too much prime agricultural land was being eaten up for residential development.

He emphasized that in spite of what one heard about the importance of oil, agriculture was our prime industry and was essential to the well being of the economy. He said the NDP advocated the \$100 cow calf grant which was necessary for farmers who were in dire straits. He called for a more corporate approach to solving the transportation problem.

He felt that the government had not put all its cards on the table with the Syncrude deal and quoted figures to show the rising costs of the project, which had gone up from \$680 million June 1974 to a current figure of \$2 billion. He was sure that Alberta had the resources to develop the project but he was anxious that the province should get a fair return on the investment. "Who determines when the profits start?" he asked.

He criticized the Loughheed administration for its massive spending of from \$42 million in 1970 to a total of \$594 million in special warrants saying, "and that's what they call open government."

Mr. Bakker said there was a great danger in governments having large majorities - this was detrimental to good government - and led to arrogance and lack of response to individual needs. He warned people that while Mr. Loughheed had called for

a four day mandate (he was referring to the first minister's conference in Ottawa next month) this was in fact a mandate for four years. That was why he had entered the election himself so that there would be more choice for the electorate. A higher mandate means higher oil prices, he said, criticizing the government for lack of local autonomy and hiding behind a mass of public information officers.

Mr. Bakker objected to the quick "killing" of a university which was to have been located in St. Albert, also industry which was promised for the area, said to be just round the corner, then going to Strathcona. He said there should be equal opportunity at provincial universities complaining of restriction in the faculties of law, dentistry and medicine. He also complained that allowances at the university were miserable and did not keep pace with the cost of living. He said the "only way to keep the government on its toes was to have an election every month." He complained that the government could not even do proper calculations, in the area of municipal affairs and was unable to prevent annexation. He referred specifically to the Allarco annexation which St. Albert had opposed to which Mr. Jamison quipped, "you signed it John." Mr. Bakker also said that he should be elected as the man who could deliver the goods in the rapid transit field.

Mr. Everitt said he was happy to be back in the election battle and would be happy to support Mr. Loughheed in getting the best deal he could from Ottawa.

While he supported the Loughheed 12 point plan, he pointed out the discrepancies between government idealism and actual achievements.

Referring to the right of the individual to privacy and the pursuit of his own destiny he wondered why farmers in Namao had been slapped with caveats. He did not think that the government had given the municipalities adequate financial support else why had the mill rate in Sturgeon gone up from 78-99 mills and from 78-84 in

Barrhead? He also expressed his opposition to the provincial government's handling of special warrants. He cautioned the government to keep in line with its own policies. He was concerned with the cow calf problem and said that the oversupply of beef would only antagonize it. He felt that the Federal Government had hit at this problem better than the provincial government.

He claimed a good record in the building of better highways in the St. Albert constituency, "ask the member today how many miles have been done in four years," he added. He felt that the Sturgeon River university was out of date as soon as the government was elected complaining that there had been meeting after meeting but the "NOW program came in and that was the end of it."

In his rebuttal Mr. Everitt said that Mr. Loughheed had claimed a misquote on the Sturgeon River University - claiming that he never said the St. Albert campus was a mistake. He telephoned the Gazette saying that he was pleased for the people of St. Albert and "would do anything in his power for a fourth university in St. Albert."

"Why was the university killed?" asked Mr. Everitt. "You elect me and I'll kill the St. Albert university." Those words, came from the Minister of Advanced Education Jim Foster, Mr. Everitt pointed out, adding that "They, (the government) will announce the university after the election - at Red Deer."

Mr. Everitt also said that the whole problem with salaries these days was that (government) wage rises were being instigated "and then they tell us to hold the line."

Mr. Bakker - in his rebuttal pointed out that since the Syncrude development there had been advances in off-shore drilling technology; this had increased and oil from North Sea wells would be going on to the market at a dollar a barrel. "We are talking \$2.75 a barrel and \$12.00 for a barrel of Syncrude oil."

"God has put the oil in Alberta," he said, "but 'Allah' is setting the price."

He also felt there should be a better financial arrangement between the provincial and municipal levels of government and more provincial parks.

Mr. Toane said there should be more space available across the board for education, referring to higher specialized education, which "was not the case at present." He also felt that resource revenues should play their part in helping the cost of education. Referring to display adverts for Mr. Loughheed and Mr. Jamison, with the map of Alberta inset, Mr. Toane pointed out that he had seen one of these next to a "for sale" notice. This was symbolic of the province being sold down the river for its resources, he hinted.

On agriculture, Mr. Jamison felt that better marketing is the key to stabilizing the industry, a prime industry - and that was the basis on

which he was seeking office.

Later in answer to a question from the floor, on the government handling of special warrants, Mr. Jamison said that when crisis came the government had to be responsible. He said that two years ago when crops were under snow the government put \$28 million into a salvaging operation, following up later with a \$14 million "Wetfoot" program after a very wet summer followed the spring thaws.

He also reminded the audience that when there was no water at the Namao school, within two months water arrived via a four inch water line through his efforts.

A local farmer expressed his dismay at the boom - bust situation in the cow calf market. Mr. Jamison identified the problem as having been caused by letting American cattle in, and having just too many cattle on the market. He looked for

an improvement in the situation, and thought that in the long run the farmers would not do too badly.

Mr. Toane thought that producers should have help when in difficulty - "the same way as the poor bankrupt oil companies."

On the water problem in the eastern sector of the St. Albert constituency where the communities of Bon Accord and Gibbons are located, Mr. Jamison - in answer to a query from the floor - said that negotiations were now underway for a water line from the North Saskatchewan River. Mr. Everitt was however sharply critical of the provincial government which could put out \$750,000 for horse-racing and harness racing and yet had no money for people services.

He quoted an incident where one Gibbons resident got fish instead of water through his hose, to highlight the water problem.

Realized net income of Canadian farmers should decline in 1975

The realized net income of Canadian farmers is expected to decline by almost eight per cent in 1975, W. L. Porteous, director of Statistics Canada's Agriculture Division, recently told an agricultural outlook conference in Ottawa.

According to present indicators, realized net income will be slightly less than \$3.2 billion compared to \$3.47 billion in 1974, a decline which will affect all provinces except Saskatchewan. In percentage terms, Prince Edward Island and New Brunswick are expected to record the most acute drop, falling to near the 1972 level, partly as a result of lower potato prices.

Mr. Porteous noted that farm cash receipts are forecast to increase but not nearly as rapidly as in the previous two years. Based on current expectations, cash receipts are expected to rise by 4.4 per cent to a level of \$8.9 billion as a result of a moderate decline in crops receipts and an increase in receipts from livestock enterprises.

While 1975 projections of realized net income denote "a deterioration of the relative income position of the farming industry," particularly in Prince Edward Island and New Brunswick, Mr. Porteous said income gained from off-farm sources must also be taken into consideration.

In 1972, farmers reported that more than double their income came from off-farm rather than farming activities. On a national level, 68.6 per cent or \$5.3 million was earned in non-farm income. Saskatchewan was the only province where farming activity was the most important source of income; non-farm income accounted for only 44.2 per cent representing \$5 million. On the other hand, British Columbia farmers earned 95.2 per cent or \$7 million of their income off-farm.

Mr. Porteous said it is reasonable to assume "that the activity structure and sources of income for farm operators and farm families will continue to be composed of very significant amounts of income from non-farming sources."

In his review of last year's farm income situation, he said the net income of farmers from farming alone increased for the fourth consecutive year with preliminary estimates indicating that realized net income rose by 28.3 per cent to a record \$3.47 billion.

The most substantial gains were in the three Prairie provinces, particularly Saskatchewan, where realized net income is estimated to have reached an all-time high of \$1.16 billion.

There was continued expansion in British Columbia, Ontario and, to a lesser degree in Prince Edward Island. In Nova Scotia, New Brunswick and Quebec, realized net incomes declined compared to 1973 levels, he said.

Farm cash receipts are

estimated to have increased at the national level to \$8.6 billion, representing a record

and a 25.7 per cent increase over the 1973 level. Mr. Porteous added,

Most of this increase is accredited to continued expansion in cash receipts from

the sale of crop products which rose by 45.8 per cent as compared to livestock

receipts which advanced only four per cent over 1973 levels, he said.

UNDER LOUGHEED Leadership

ALBERTANS ARE THE LOWEST-TAXED PEOPLE IN CANADA

As a result of specific government actions during the past 43 months, our economy has been strengthened and our provincial government services vastly improved. And yet, our taxes are the lowest in Canada.

For comparison, here are provincial tax rates in the three "have" provinces — Alberta, Ontario and B.C.

Taxation	ALBERTA	ONTARIO	BRITISH COLUMBIA
Personal Income Tax	26% of national tax rate* (lowest in Canada)	30.5% of national tax rate	30.5% of national tax rate
Gift Taxes	NONE	YES	YES
Gasoline Tax	10¢ (lowest in Canada)	19¢	15¢
Succession Duties	NONE	YES	YES
Property Tax Relief	YES Education Tax abolished on all residential and farmland property. Renter rebate.	YES Income tax credit to property owners and renters.	YES Provincial grant to homeowners and renters.
Corporate Income Tax	11%	12%	12%
Sales Tax	NONE (only province without one)	7%	5%

* 1975 budget proposal

The figures speak for themselves. The Progressive Conservative record of achievement for Albertans also speaks for itself. Keep our province in the lead with Lougheed Leadership.

Report From Bon Accord

By Sadie Allen

The bingo jackpot is now \$425 in 51 numbers. Play bingo every Sunday evening at 7:30 in the Bon Accord Community Centre.

A reminder of the Village of Bon Accord annual meeting on Monday, March 24 at 8 p.m., in the Bon Accord Community Centre.

4H Beef speak-offs were held at the Bon Accord

Community Centre on March 6. In the senior division top marks went to Mark Ozipko, second to Lori Pawluk; the junior division was topped by Greg Uchacz, second to Bryan Lewis. Judges were Mrs. Leona Petherbridge and Mr. Bill Nestor. Mr. Dave Latta, Lions' president was chairman, Mr. Logan Carleton was timekeeper, and teller was Mrs. Helen McKenzie. The Beef Club is sponsored by the Bon Accord

Lions. Marsha Rigney spoke for the 4H Light Horse Club, Betty Kushak and Rick Krcway for the 4H Dairy Club.

The Bon Accord Senior Citizens held a most enjoyable social afternoon on March 11. Members brought cards and games and after a short information meeting with Mr. Tony Mantyka from Sturgeon Regional Recreation spent the remaining time playing cards, and the rest out-pointing each other at Yahtzee. Lunch was served. It was decided to hold the meetings on the second and fourth Tuesdays of the month with the next one scheduled for March 25 at 2 p.m. All senior citizens are cordially invited to attend.

Get well wishes are extended to Mr. Frank Malanchen in the Royal Alex and Mrs. Ernie Hewitt in Sturgeon General.

Congratulations are extended to Don and Linda Algar on the arrival of their chosen son, Russell James on February 26 and to Dave and Glenna Brennan on the birth of their son on March 14.

A roll-on decorator paint course will be held for three consecutive weeks starting on April 2 from 8 - 10 in the Bon Accord Community Centre with Linda Engman as instructor. Registration is \$2 and may be made with Linda at 921-3525 or Pauline Mansfield at 921-3625. Please pre-register.

Congratulations to Donna and Erhard Lemke on the birth of their son, Andrew James, 9 lbs. 11 1/2 ozs. on March 16 at Charles Camell Hospital.

Anglican Church Women

met at the home of Mrs. Joan Hill on March 10. Plans were made for a home baking - craft sale which will be held on the mall at Northgate on Thursday, March 20. A lovely lunch was served by the hostess.

PEEWEE WIND-UP

The Bon Accord peewee team had their hockey wind-up hosted by coaches Roy Malanchen and Myron Schneider on Sunday, March 9. At the party the boys were presented with trophies donated by the two coaches.

Perfect attendance: that is, not missing any practices or games, were given to Warren Schneider and Blain Malanchen. Honourable mention to Rick Komick and Brian Lewis who had missed only one.

Top scorer was Shane Antoniuk with a total of 24 points. Second highest was Warren Schneider with 20 points followed by Darcy Kryskow with 17 points; Gary Belecki and Blain Malanchen with 13 points and Brian Lewis with 10 points. Most Improved Player trophies went to Ronald Kulay, Ivan Thomas and Gary Shwanke.

Most Valuable Player trophies went to Darcy Kryskow and our goalie Rick Komick. This was Rick's first year as a goalie and his average was 4.92.

All the other team members were presented with a medallion with their initials and the 74/75 season on the back of it. They were: Brian Lewis, Gary Belecki, Greg Gibson, George Kelly, Garlen Daum, Bruce Robinson, Alan Saunders, Mark MacEachern and Alan Chopp.

Dale Malanchen was thanked by the boys and coaches for refereeing the games and helping out at practices.

Bon Accord Peewee trophy winners ; Back row, left to right: Blain Malanchen, perfect attendance; Warren Schneider, perfect attendance; Darcy Kryskow, Most Valuable Player and Rick Komick, Most Valuable Player. Front row, left to right: Most Improved Players - Ivan Thomas, Gary Shwanke and Ronald Kulay. Top Scorer - Shane Antoniuk.

Bon Accord Peewee Medallions. Back row, left to right: Garlen Daum, Mark MacEachern, Bruce Robinson, George Kelly. Front row, left to right: Brian Lewis, Greg Gibson, Gary Belecki. Missing from picture: Alan Saunders and Alan Chopp.

Calahoo & District News

By Liz McLeod

With a little cooler weather the ice in the Calahoo Arena has been keen, and a full schedule of hockey games plus free skating has been arranged.

It was this correspondent's privilege to be present on Wednesday, March 12 to watch Ken Coates shavers take on Frank Vollmer's team from Morinville at 6:30 p.m.

What a thrill to watch these eight year olds and under go all out even if Morinville won by a 6-2 margin. It's the sport of it that counts and these boys will be the teams of tomorrow and need all the

support they can get. A good crowd was on hand.

Following this game the midgets took to the ice to give the Calahoo Oldtimers, or Rejects, (as they are also known) a run for their money.

It was hard to hear the whistle at times with the thunderous roar from the spectators cheering these boys on and win they did by a 5-1 score.

The boys were elated over their performance and the score - even if their coach joined the opposing team for this game. It was good experience for both sides.

The concession booth was open and twas so nice to visit

with many friends and neighbours.

A full schedule is on as long as the ice lasts.

GOLDENAGERS MEET AT GAZERO

St. Patrick's was the centre of each member who attended could pin a sham rock on their lapel from a supply at the door.

There were 40 friends and neighbours gathered this Wednesday, March 12 at 1:30 p.m., enjoying togetherness, cards, shuffleboard and ten bingo in which prizes were brought by each member and then the penny

a card kitty will be used for other purposes.

Lunch followed and more time for visiting and we sang happy birthday to Mrs. Joan Groppe.

Oh yes and we must not forget the good taped music compliments of the John Thatcher's.

The next meeting of the Senior Citizens of Calahoo will be held a week early - March 19, due to the election day falling on the 26th. Visitors are always welcome.

HABIES IN THE NEWS

Mrs. Annie Norris from Devon, Alberta, is proud to

be a great grandmother again and now has three great grandchildren.

Catherine Coralee Toews was born on February 2, weighing 6 lbs. 2 ozs. to Les and Cathy Toews of Fort St. John, B.C., and a sister for Leslie.

Her maternal grandparents are George and Margery Petric and her paternal grandparents are Mr. and Mrs. Harley Toews of Pouce Coupe, B.C.

Then there's we seven month old Sherri Petric whose parents are Henry and Shirley Petric of Fort St.

John, B.C. Sherri's maternal grandparents are Mr. and Mrs. Gordon Ruiz and her paternal grandparents are George and Margery Petric, all of Fort St. John, B.C.

Arthur and Valerie Lischewski of Spruce Grove are receiving congratulations on the birth of a daughter, Tricia Renee, weighing 8 lbs. 3 ozs. and born on Feb. 22 in University Hospital and a sister for Nicole.

Her very proud grandparents are Mr. and Mrs. Reni DeKruider of Edmonton and Mr. and Mrs. Ferdinand Lischewski of Stony Plain, Alberta.

Richard and Lynne Finnigan of Calahoo are receiving congratulations and are so proud of their wee daughter, Shelagh Maureen, weighing 7 lbs. 6 ozs. and born in University Hospital, Edmonton on February 25 and a sister for Brendan.

Her maternal grandparents are Bill and Vi Clark from Aylmer, Ontario and are presently visiting with these proud parents. Shelagh's paternal grandparents are John and Marion Finnigan.

Congratulations Lloyd and Anita Bergstreiser of Calahoo on the birth of your son, Harvey Todd, weighing 7 lbs. 9 1/2 ozs. and born in Sturgeon General Hospital, St. Albert on March 4, and a brother for Terry.

Equally proud are his maternal grandparents, Willie and Martha Plischke of Alberta Beach and his paternal grandparents Herbert and Herta Bergstreiser from Edmonton, Alberta.

Morinville Credit Union declares 7% dividend

The "Caisse Populaire de Morinville Savings and Credit Union Ltd." held their 35th Annual Meeting on Saturday, March 8, 1975.

This year's meeting was again held in the form of a banquet meeting and dance, and over 300 members and guests were in attendance.

The President, Dave Bokenfohr, stated in his report that 1974 was again a very successful and record breaking year.

The assets of the Credit Union as at December 31, 1974 were \$3,316,209.00.

He stated that this was an increase over the previous year of \$1,187,335.00. The total membership as at December 31, 1974 was 1,449 members.

In view of the good year the Credit Union had in 1974 it was decided that a 7% dividend would be paid on all Share Savings accounts for the year 1974.

The Share Savings Accounts are Life Insured to maximum of \$2,000.00.

The manager, Maurice Perras, stated in his report that as of February 28, 1975

the total assets of the Credit Union had increased to \$3,520,633.00 and total membership to 1,490 members.

He also stated that this was very encouraging and mentioned that at this rate the Credit Union should not have too much difficulty in reaching the four million (plus) mark by the end of the year.

Guest speakers for the evening were - Mr. Roland Sloane, provincial government - Credit Union Branch; Mr. Lisle Kivell, Cuna

Mutual Insurance Society; Mr. Leo Alvings, manager - St. Albert Savings and Credit Ltd.; Mr. Fred Jilinski, president - Legal Savings and Credit Union Ltd., and Mr. Art Stapleton, Mayor of Morinville.

The auditors report was read by Mr. Earl Lundberg, from the firm of Quilliam Stuart and Company.

The Credit committee report was read by the Manager, Maurice Perras.

Out of town guests included Mr. and Mrs. Bernadette Lavallee, and Mr. and Mrs. Mel Tussman.

The members of the Board of Directors remain as follows: Mr. Dave Bokenfohr, president; Mr. J. L. Rousseau, vice-president; Directors: Mr. J. Andre Sabourin, Mr. Clarence Stefes, Mr. Leo DeTonnancour, and Mr. Leon Schayes.

The supervisory committee are Mr. Henry Chalifoux, Mr. Ralph Gaetz, and newly elected Mr. Ed Krysko.

The credit committee are appointed by the Board of Directors.

The members of the staff are Gabrielle Morin, Irma Bulgeer, Gloria DeKruider, MaryAnne Balsille, Shirley Langer and Alfreda Geisbrecht.

The manager is Maurice Perras.

St. Patrick Tea saw many winners

By Sadie Allen

The Local Association for Brownies and Guides held a very successful St. Patrick's Tea on Saturday, March 15. Many a happy winner went away with a lovely cake won in the Cake Walk. Walt Disney films were a popular attraction run by projectionist Mr. Don Millwood.

The judges for the baking contest had a very difficult time. Each entry was assigned a number then placed on the judging table. Winners of the 7-9 age group (cookies and cupcakes) were: first -

Sue Ann Hartley (Funny Bunny Pin Pal); second - Kelly Hetman (51); third - Carol Bjerke (51); fourth - Christine Kushak (51); fifth - Trisha McKenzie (51); sixth - Lianna Kulay (51). Winners of the 12-14 age group (cakes) were: first - Crystal Moore (shampoo and set donated by Call Me Madame Salon); second - Betty Kushak (51); third - Cathy Malanchen (51). The winning cakes were then auctioned off.

The bake, craft and white elephant tables were well

cleaned off.

Winners of the door prizes were: \$5 from each of the following - Woodward's Northgate won by D. Roman; Bon Accord Trailer Park and Laundromat won by J. Danake; Bon Accord Hotel won by V. Schiffner; A. Reichle Carpet Installations Ltd., won by M. Evans; Village Superette won by Mrs. M. LeBlanc; Norm's Oilfield Welding Ltd., won by K. Daum; Andy Briggs Construction won by D. Mansfield. One share from Edmonton Amalgamated Sa-

vings and Credit Union won by M. Romanowski; \$10 from Dadds and Sons Espresso Service won by L. Gorringer; Blue Mountain Pottery donated by the Local Association won by C. Werenka; lighting lantern donated by Lewis and Sons Service Station won by F. Werenka; handbag donated by V. Schiffner won by W. Spencer; set of Sweet Homesty Avon donated by Mrs. Gail Critchley won by L. Lehman; set of glasses donated by Mr. and Mrs. W. Shinbine won by D. Anderson; candle donated by Regal distributor Mrs. J. Serediak won by E. Plumbtree; two T-bone steak meals donated by Marie's Cafe won by A. Geiger; auto coffee maker donated by Mr. and Mrs. R. Kulay won by G. Abramski. All the addresses for the above winners are in Bon Accord. Four quarts No. 1 oil donated by Bon Accord Sales and Service won by M. Uehaz and a hamper of potato products donated by Bon Accord Potato Farm won by Mrs. V. Uehaz of Morinville. Shampoo and set donated by Call Me Madame Salon won by B. Gallacher; Artex Dome and Frame kit donated by Mrs. D. Moore won by A. Heggie; Artex Starter Kit donated by Mrs. Engman won by Mrs. T. White; all of Edmonton.

A huge thank you to the judges, the people who donated the door prizes, all who helped with crafts and baking and YOU, who came out and enjoyed yourself.

Morinville competes in zone basketball

On March 15, Onoway hosted the Boy's North Central "AA" Zone Basketball Finals, and the senior high team from Vanier attended the tournament. Six teams were present - Concordia, Onoway, Evansburg, Mayerthorpe, Sanguo and Morinville. Vanier played the first game against Sanguo. It was a close game and the team, coached by Mr. Herman Weidell, played well. The score was 38-37 for Morinville at the end of the last quarter when Don Proulx

wheeled the ball across the court and sunk the last basket with only two seconds remaining in the game. The final score was 40-39, a great victory for Vanier. The top scorer for that game was Gerry Carignan who made a total of 18 points.

Vanier's second game was against Onoway, when they lost by a score of 64-32. Don Proulx was the top scorer with a total of 18 points. The champions of the zone were Concordia boys who won the tournament.

WIN CHEERLEADERS TROPHY

As well as the basketball finals, a cheerleading competition hosted by Onoway was held at 6 p.m. The three squads which participated were from Onoway, Concordia and Vanier. The cheerleaders were judged on originality and variety of cheers, clarity, diction, crowd participation. It was a difficult decision for the six judges, but the Vanier girls were declared winners by a few points. They received a trophy donated by Onoway.

Vanier cheerleaders after winning the competition at Onoway: [left to right] top row: Yvonne Kieser, Louise Dupuis, Donna-Fay Borle. Middle row: Judy Bokenfohr, Cathy Borle [captain]; Colette Gibeau. Bottom row: Susan Trach, Jan Gibeau.

Sewer rate increase for Morinville

Following are some of the highlights from the regular meeting of Morinville town council, March 11.

A BYLAW to increase sewer rates is to be drawn up by the town which will give Morinville its first sewer rate increase since 1953. The present \$3 a month rate for single family dwellings is expected to go up to \$5 and other rates will be increased proportionately. Town Secretary Paul Brochu said that the rate increases had been necessary to meet rising maintenance costs.

MORINVILLE requested the Edmonton Regional Planning Commission to prepare a downtown core study which will make sure that the historic part of the town on Main Street will be maintained as a focal area for the

community.

A MEETING is to be arranged by the Town of St. Albert to discuss matters of mutual interest between itself and Morinville. St. Albert Mayor Dick Plain indicated this to Mayor Art Stapleton. No date for the meeting has been fixed yet.

MORINVILLE was presented with the tentative Sturgeon Regional Recreation budget. This has been referred to the Morinville Recreation Board and they are expected to report back to council at the next meeting.

ALTHOUGH SOME people feel that too much noise is created by the noon (fire) siren, and although there is no regulation stating that the town has to blow it, the fire

commissioner believes it is good to have it tested daily for operational reasons.

COUNCIL DISCUSSED the financial assistance grant for culture and recreation; though a decision on a \$100 per capita grant over a 10 year period from the Department of Culture, Youth and Recreation will only be made following Government legislation.

TWO EXTRA lights are being put in near the Morinville arena. One will be at the intersection of 99th Avenue and 104th Street - the other will be placed back at the arena for more light on the parking lot.

Report From Parliament Hill

By Stan Schellenberger, MP

STRIKES IN ESSENTIAL SERVICES

We are all well aware of the current selective strikes of the Public Service Alliance of Canada, strikes that are disrupting mail delivery, air travel and grain shipments. Yet, I wonder how many of us are familiar with the history and organization of the P.S.A.C. itself.

The Public Service Alliance of Canada is the third largest union in the country acting as a bargaining agent for approximately 155,000 public servants. The Alliance was formed in 1966 as a result of a merger of two federal service staff organizations: the Civil Service Federation of Canada and

the Civil Service Association of Canada. The Federation was composed of representatives from all organizations of civil servants, organizations that were autonomous but that delegated certain central functions to the Federation executive. The Association, on the other hand, accepted members from all Governmental departments, with no departmental breakdown. A compromise in the organizational structures of both the Federation and the Alliance was found in the Public Service Alliance of Canada. It is made up of 15 departmental components that are not autonomous and have no power outside of the Alliance. The Alliance has only one constitution - components have bylaws that must conform to the con-

sitution.

In 1967, Parliament passed legislation that provided for collective bargaining within the Public Service. The P.S.A.C. is presently certified as the bargaining agent for 32 occupational groups, or bargaining units, in five categories. (The current strikes are being staged by blue-collar employees in the General Labour and Trades groups of the Operational category. These include airport runway cleaners, workers who care for animals at federal agricultural stations, postal service machinery maintenance workers, grain weighers, etc.)

In general, all employees of the Public Service in the 32 occupational groups are required to be members of the P.S.A.C. However, there are some notable exceptions. For example, an employee

who is employed in a managerial capacity is eligible only for associated membership in the Alliance. This means that he is not entitled to vote at meetings or to hold office in the organization. The Alliance has established 25 Area Councils in major centres across Canada and one in London, England.

In addition to these Area Councils, there are P.S.A.C. Regional offices and representatives in 14 cities. The representatives perform several duties: they ensure that Alliance membership is maintained and expanded; they refer the individual's problems and grievances to management; they act as educators, advising employees on various relevant Statutes and Regulations; and they generally assist and advise national or local officers.

There is perhaps a good argument that the members of the P.S.A.C., can be readily divided into two groups - essential and non-essential service employees.

About 3,600 members of the general labour and trades group that are presently on strike are designated as essential to public safety and

security and are forbidden to strike. They are subject to fines of \$100 each. However, the very fact that they are on strike means that the fine penalty is not a sufficient enough work stoppage deterrent. Surely a more expedient and satisfactory solution must be found to prevent strikes in essential services.

Morinville Sports

In winding up the Sturgeon Valley Senior Hockey League season we would like to take this opportunity to thank all our fans for giving us such tremendous support through this exciting year of hockey. Although we did not bring home the cup we did accomplish two major goals - ending in first place and breaking a four year jinx with Calahoo. This was done with your loyal attendance throughout the year. We surely

hope we did not disappoint you and wish to see you all back for the 1975-76 season. Thank you very much from the players and staff of the Morinville Senior Hockey Club.

MITE HOCKEY

In the B section mite hockey playoff final March 13, the Morinville Arrows came out on top of a 5-4

margin against Gibbons. Morinville goals were scored by Dwight Van Brabant, two and Keith Streeter and Marshall Lalonde with one apiece.

Results of previous Arrow games were: Arrows 4 - Riviere Qui Barre 1; Arrows 4 - Edmonton Carnivores 3;

Namoo 4H Beef Club

By Teresa Engley

The March meeting was held at the Vaculchuck farm and our usual meeting was combined with our public speaking for the year.

The business meeting was short and it was decided that we will set up a display at the Namoo gym on Farmer's Day. Our next meeting will either be at Heather Mitchell's or the Sunnyside Hall, and members will be notified.

We had public speaking for the rest of the evening.

Arrows 8 - Rochester 0; Arrows 4 - Legal Co-op 0; Arrows 0 - Morinville Tomahawks 0 and Arrows 1 - Legal Hotel 1. In these six games the Arrows goals went to Dwight Van Brabant with 11, Marshall Lalonde 5; Keith Streeter 3, Norm Streeter 1 and K. Ramer 1.

The speeches were all good and greatly enjoyed by the parents. The Vaculchuck family had a successful evening. Terry won the senior division with an excellent speech on being a farmer. Myrna won the junior division with her entertaining speech on ecology. In the senior division, Tim Sweetnam came second and Teresa Engley was second in the juniors.

The meeting was concluded with a terrific lunch served by Mrs. Vaculchuck.

Bangs test on cattle for '76 is MD aim

The MD of Sturgeon #90 is aiming to have bangs disease testing on cattle herds in the area compulsory for 1976. This emerged from its regular meeting March 13.

According to MD Councillor Walter Jerram, councillor's representative on the Agricultural Service Board, the disease is on the rampage and the situation could be further worsened by breeding bulls.

Coun. Jerram felt that the law making it compulsory for all herds to be tested or vaccinated must be reinforced.

stated before herds were sent into community pastures.

With many cows heavy with calf now, there seems little chance of them being vaccinated although the bangs test is much less troublesome to cattle than it used to be pointed out Councillor Clay Crozier.

Also in agricultural business at council, the MD will hold off on pressing for compulsory warbles inspection at cattle markets till they get more information on the legality of such a move from the provincial government.

Road trade-off likely at satellite airport site

The MD of Sturgeon #90 is looking at improving a 1½ mile section of road near Villeneuve following the anticipated cancellation of another section of road affected by satellite airport development.

The section of road to be cancelled is from the northeast corner of southeast 23-54-27-4 going south 1½ miles and this is subject to ministerial approval.

The MD can pass a bylaw to cancel the road, but farmers in the satellite airport area want to make

sure that the east-west 1½ mile section running at right angles to the proposed cancellation will be upgraded for their vehicles.

MD ratepayer Donald Victor who lives nine miles west of St. Albert asked that the cancelled road be replaced so that the heavy truck traffic could still be catered for.

Farmers in the area still need good access to that section of land which is slated for the satellite airport, a large part of which will still be for agricultural purposes.

"WE SELL THE BEST AND SERVICE THE BEST"

LEGAL LOCALS

By Lucienne Montpetit

Results of the election held by the Legal School Board on March 12 gave a decisive victory to Mr. Bill Krauskopf who polled 270 votes. Paul Ledet received 214 votes and there were five spoiled ballots. There was a turnout of 489 out of a possible 600 electors. Mr. Krauskopf has served on the Legal School Board for over 16 years.

Mrs. Andre Pelletier underwent surgery at the General Hospital last Monday. We wish you a speedy recovery.

The ladies of the St. Mary's Ukrainian Catholic Church of Waugh will have an Easter bake sale at the Legal Co-op on March 22.

Mr. and Mrs. Lucien (Pete) Montpetit are pleased to announce the engagement of their daughter Marguerite to Tom Laberge. Tom is the son of Mr. and Mrs. Frank Laberge from St. Albert.

Dave George was transferred to Grande Prairie, and his wife Gertie and family

have joined him there.

Sincere condolences to Mr. and Mrs. Adrien Hebert upon the loss of their son Albert who passed away at eight years of age in Fort McMurray last week.

The Knights of Columbus will have a meeting on March 20 at 8 p.m. This will be the

last meeting before the 25th anniversary celebration of the K of C that will be held on April 5.

The Congress for the MFC will be held in St. Paul on April 4. If you wish to attend give your names to Mrs. Paul Clouthier - 961-3739 or Mrs. Irene Maurier 961-2513. Transportation will be provided.

Sincere sympathies to Mrs. Anita Maurier who is mourning the loss of her dear

father William Quimet of R.R. 1 St. Albert, who passed away on March 12.

D. Shank wins Legal Mixed Spiel

The Board of Directors would like to thank the 19 teams that participated in the mixed bonspiel which was held on March 6 - 9. The Dan Shank rink of Clyde took the first event with Dan Shank skip, Sylvia Fortier third, John Gervais second and Lorraine Nyal lead. 2nd - Art Derrien, Legal. 3rd - Don

Novak, Red Deer; 4th - Pat Keane, Legal. Second event was won by Jim Borduzak, Legal; 2nd - Victor Doblanko, Legal; 3rd - Bill Marchak, Legal; 4th - Jack St. Martin, Legal. The third event was taken by Rene Shank, Legal; 2nd - Don Hills, Legal; 3rd - Al Radford, Edmonton; 4th - Ed Royan, Legal.

Logan takes Legal Closed Spiel

The Legal closed bonspiel was held on the last weekend of February and the first weekend in March with all this year's curling teams, 25 in all, participating. The Tom Logan rink won the first event with Arvin Schnier as skip, Don Hills third, Art Derrien second and Tom Logan lead. 2nd - Rene Shank, 3rd - Dennis Borduzak, 4th - Norm Forcade. The second event was won by Pat Keane, 2nd - J. P. Letourneau, 3rd - David

Bolle, 4th - Ray Rivard. The third event was won by Rick Lesburg, 2nd - M. McCargar, 3rd - Norm Rivard, 4th - Mickey Stapleton. The fourth event was won by Norm Meunier, 2nd - Allan Keane, 3rd - Steve Zadunayski, 4th - Rodney St. Martin.

The Board of Directors would like to thank all the business places and individuals for contributing prizes and cash donations towards our closed bonspiel.

Legal wins Sturgeon Bantam League

Legal won the Sturgeon Valley Bantam League this year defeating Morinville Ramparts in final game by a score of 10-2.

For Legal goals scored by Andre Coulombe - three goals; Danny Pelletier, three goals, two assists; Denis Brisson - one goal; Richard Nault - two goals, one assist; Enile LaRose - one goal, one assist.

Brian Hermanutz scored two goals in third period for Morinville. Assists by Maurice St. Laurent and Dwight Bokenfohr. The boys on both teams played one of their better games of the year with only

two penalties given to each team.

Legal also won the trophy for Sturgeon Valley Minor Hockey Week also defeating Morinville Ramparts by a score of 5-1.

Five goals going to Danny Pelletier, one goal for Morinville to Brian Hermanutz. Legal bantams played a total of 41 games this season.

The five top scorers were:

	G	A	P
D. Pelletier	103	59	162
A. Coulombe	57	27	84
R. Nault	34	23	57
D. Brisson	10	14	24
E. Laros	25	28	53
G. Van de Walle	16	31	47

THANK YOU

I would like to thank the voters who supported me so well at the polls and also the people who worked hard on my committee. I will continue to work for the welfare of Legal School and its students.

Wm. Krauskopf.

VIMY NEWS

By Darlene Provencal

The community was both shocked and deeply saddened to hear of the sudden death of Adonias (Bing) Fortier who was the victim of a traffic accident only a few miles from his home last Sunday, March 9. Condolences are being sent to his wife Evelyn, and son Richard, and also to the other family members. Funeral services were held in Vimy on Wednesday, March 12, with Fr. Croteau officiating.

Mr. and Mrs. Albrede Fortier spent four days in Las Vegas last week on a tour with their daughter Yvonne and her husband Robert Carriere of Edmonton. Albrede claims that their pockets were heavy for awhile but by the time they returned home they were quite light.

Ronald and Gladys Pearson, direct distributor of Amway Products announced the awarding of a Personal Sales Award Plaque to Leo

and Lucille Ringuette. The plaque can be earned annually by achieving a high personal sales goal. In presenting the award, Direct Distributor Ron and Gladys Pearson personally congratulated Leo and Lucille on the performance of retail distributorship, giving special recognition to their \$750. outstanding sales achievement.

ment record. Amway is one of the leading companies in the world specializing in in-the-home service.

VIMY PEWEES LEAGUE CHAMPS

The Vimy Apollos, pee wee team in the Sturgeon Minor Hockey Association are the happy winners of the league

championship. They were undefeated in all league and playoff games throughout the season.

The final game against Villeneuve ended with a score of 6-3. Top scorer was Richard Laplante with five goals, Yvon Dechamplain with one goal and three assists, Bernard Huot with three assists and Jos Bil-

deau with two assists. Goal-keeper Jerry Hodge was outstanding in the net and came through with spectacular saves. The league trophy donated by J.E. Sands Ltd., Edmonton was presented by Mr. Rene Maurier.

Coach Claude Huot is to be commended for his three championships in four years. Congratulations are extended to Claude Huot, coach and Fern Dechamplain, manager, for a very successful season.

Vimy 4H Needles

By Brenda Altmiks

The Vimy 4H Needles Club held their final public speak-offs on February 26 in the Vimy school gymnasium.

Mrs. Brown, our club leader, introduced the judges, (limekeepers, tellers and the chairman as follows: The judges were Mr. Jim Kyle, Mr. Bob Burns and Mr. Herb Plain; the limekeepers were - Anita Maurier, Virginia Altmiks and Lois Burns; the tellers were - Mrs. Bernard, Mrs. Bilodeau and Mrs. Yaremko. The chairman was Suzanne Bilodeau.

The program started with the senior speeches. There were eight senior speakers who all did a good job.

Followed by the senior speeches the juniors' contest speeches took place. The impromptu for the

senior division; advertisements; junior division; a doorbell. After all the speeches there was a delicious lunch served.

Following the lunch the judges gave the winners' names and comments.

The winners for the senior speakers were - 1) Ludy DeChamplain; 2) Beverly Brown; 3) Jocelyne DeChamplain. The winners for the junior speakers were 1) Corinne Prefontaine; 2) Céline Dubois; 3) Brenda Altmiks. Lucy DeChamplain will be going to the district finals March 14 in Picardville.

Corinne Prefontaine will be going to the district finals March 15 in the Westlock High School. Congratulations and good luck!

Highlights from MD of Sturgeon Council

Following are highlights from the regular meeting of the MD of Sturgeon #90, March 13-14 in Morinville.

THE MD decided to consult the Department of the Environment before going any further with the problem of hooking up on to the St. Albert - Edmonton water line. The MD revealed that it wishes to see what the Department plans are in financing the line before taking further action.

THREE WAYS are being looked at by the MD to recover outstanding mobile home license fees. Thirty summonses are out so far for the outstanding fees. The MD may try and recover them through court action, distress warrants, or the

recovery of the debt by the municipality. Councillor Gib Boddez said that RCMP frown on not pressing charges once they have been laid so council will not accept excuses for late payment.

COUNCIL CARRIED a motion to have mosquito control further extended into the MD of Sturgeon in answer to a letter from the Edmonton Parks and Recreation branch.

AS AGT are bringing more photos into the satellite airport area at Villeneuve, the MD carried a motion approving the installation of a heavier line going in at \$500 a mile on the eight mile section of road from the weigh scales (St. Albert Trail) to Villeneuve. The MD said there "should be no problems" if the line is buried 40 inches below the surface.

THE MD will place a "Yield" sign at the intersection of 137th Avenue and 184th Street following a

report of an accident there.

A ST. ALBERT REQUEST for a bus stop to be placed near the Purple Dude Restaurant was carried by the MD subject to the approval of the Department of Highways.

AS COUNCIL was looking over audits, it was decided that the \$500 off-site charges for roads and services should be properly recorded by the MD. Councillor Walter Van Walle said that "they (taxpayers) have put up the money - it came from that area - and that is what we did with it." This was following a remark by Councillor Clay Crozier, "I can't see me staying here much longer if we cannot show people we spent that money (on services).

A MOTION to pay a bill by half for snow removal was lost as the MD decided that everyone would have to be treated equally. The motion was concerning a \$54.80 snow removal bill.

Horse Hill news

By Peggy Wenzel

ATTENTION: The Horse Hill Community League facilities have been temporarily closed for renovations and repairs. Community League functions will continue in the school gym until further notice.

The Horticulture course began this week and continues each Monday evening.

On Saturday, March 15 the Sturgeon School Division boys basketball tournament was held at Horse Hill. The Georges P. Vanier team from

Morinville won top honours followed by Gibbons and Namao in second and third place. Other schools taking part were Bon Accord, Sturgeon Heights, Camilla and Horse Hill.

Horse Hill midgets played in a hockey tournament in Red Deer last weekend. Against tough competition they made it into the B Division finals, but were beaten out by the Sherbrooke team from Edmonton. The team plays again in the Gibbons tournament on March 29th.

Annual Meeting of Electors

of the Thibault R.C.P. School District #35 Morinville will be held on Monday, March 24, 1975 at 8 p.m. in George P. Vanier School music room.

SUMMER FARM EMPLOYMENT PROGRAM - 1975

This student employment program has recently been announced for this summer.

Applicants must be students who will be attending school in the fall, and must have been an Alberta resident for at least the past six months.

Minimum age is 16 years; if under 18, parental consent (signature) is required. A farmer may employ his own son or daughter.

Participants will be required to attend a farm safety session as provided by the Department of Agriculture. All participants should pre-register by April 15, 1975. Pre-registration forms are available at the District Agriculturist's office at Morinville, Phone 939-4351.

ROBERT BERRY, DISTRICT AGRICULTURIST.

GIBBONS NEWS

By Shirley Steinwand
GIBBONS SUNDAY
SCHOOL CIRCLE

A reminder that Sunday School registration will take place on Easter Sunday, March 30 at 10 a.m. Anyone wishing to use the Gibbons Sunday School building for meetings, etc., please contact Della Gibbons 799-9140 or Anne Allison - 998-3128.

The annual plant sale will be held in the Sunday School on Saturday, May 24th. The Sunday School Spring Clean-up will be held on Tuesday, March 25 after

lunch. Members are requested to assist in this project. A tupperware party will be held at the Sunday School building on April 1 at 8 p.m. Everyone is welcome to attend.

THE LAST ROUND-UP

The Last Round-up - (Gibbons Senior Citizens) held a regular meeting on March 13 in the Legion Hut. Forty members answered roll call. There was a good deal of visiting as some members who could not come in the winter were in attendance.

The shuffleboard also got a good working over. Finally settled down to whist. The winners were: Ladies - Jean Blom; Men's - Jim Petherbridge. Ladies Consolation - Aurore Lamoureux; Men's -

Cliff Davidson.

Two of the prizes were donated by Emily Oliver.

There was a delicious lunch served including a birthday cake for Bernice Knott, celebrating her birthday today. Happy birthday was sung.

Emily gathered some of the members around the piano to sing some of the old songs. She will arrange practises for the number the Senior Citizens have been requested to contribute to the Queen's Pageant to be held March 20th at the school gym.

The Local Association for Guides and Brownies will hold* a paper drive on Wednesday, April 2 at 5:30 p.m. A reminder that your old telephone books are also needed.

Services held for Lea Brisson

By Lucienne Montpetit
Mrs. Lea Brisson, 49 years of age, passed away suddenly in a head-on collision on the highway, 1½ miles west of Wabamun. She leaves to mourn her loving husband Pierre, two sons and two daughters, Paul, Regina; Laurier, Prince George; Mrs. D. (Rachel) Pelletier, Legal and Lilliane at home, two grandchildren; her parents Mr. and Mrs. Philippe Mercier, Legal; three brothers and three sisters, Paul Mercier, St. Albert; Robert Mercier, Legal; Norman Mercier, Grimshaw; Mrs. Anna Brisson, Mrs. Jeanne Bilodeau and Mrs. Louise St. Martin all of Legal.

Lea was born in Legal on July 11, 1925. She was brought up in this community and married Pierre Brisson on December 28, 1942. They raised their four children in Legal. Lea was very active and was always willing to lend a hand. She

always accepted responsibilities for our annual event "Fete au Village," she catered for the community hall with Mrs. Theberge for many years. At the time of her death she was employed at the Legal Corner Cafe. She was a member of Les Femmes Chretiennes. All who knew her admired her winning smile and personality.

The Requiem mass was celebrated on Monday by Father Roland Bissonnette. The altar boys were Emile Larose and George Van de Walle. Ushering the people were Darcy Brisson and Gerald St. Martin.

The pallbearers were her nephews Norman Meunier, Ernest and Raymond Brissou, Maurice Mercier, Roland Bilodeau and Albert St. Martin.

The large attendance at the prayers and the funeral mass was an indication that she was well liked by those who knew her.

PUBLIC NOTICE

VILLAGE OF GIBBONS

ANNUAL MEETING TO BE HELD IN COMMUNITY CENTRE HALL ON MARCH 27, 1975 AT 7 O'CLOCK P.M.

Gibbons 4H club public speaking

By Susie Theroux
The Gibbons Sew and Sews (4H Sewing Club) held public speaking at the Gibbons Sunday School on March 3 - 7:30 p.m. The m.c. was Leona Petherbridge. The pledge was led by all the club members. The judges were: Varden Lawrence, and ex-4H Beef Club leader of Fort Saskatchewan; Patsy Galloway - former member of the 4H Beef Club of Fort Saskatchewan; Toras Ferbey - leader of the Bon Accord 4H Beef Club. Timekeeper - Mrs. Hazel Dahlstrom - teacher's aid at Horse Hill School.

The girls who delivered prepared and impromptu speeches, respectively are as follows: Joyce Hostyn - The Sixth Universe -- Television; Colette Lamoureux - Dreams

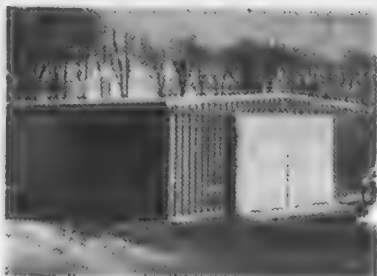

--Hazards of Smoking; Suzie Theroux - Drugs--My Favourite Subject in School; Annette Lamoureux - What is a Grandmother -- My Planned Career; Janice Hostyn - Sitting Bull -- School Holidays; Claire Lamoureux - Boat Safety -- The Most Exciting Day of My Life; Diane Demers - Television Commercials -- Babysitting; Valerie Montpetit (for practice) What to do When There's Nothing to Do -- The Place I Would Like to Visit.

The winners were: Honorable Mention - Janice Hostyn for Sitting Bull; 2nd place - Annette Lamoureux for What is a Grandmother; 1st place - Diane Demers for Television Commercials.

The trophies will be presented on Achievement Day, April 12, when everyone is welcome to attend.

A Butler Farmstead costs a bit more than a wooden building. Initially.

But the all-steel Farmstead won't rot.

The Farmstead will withstand a 90 mph gale, and its roof will handle heavy loads of snow.

So in the long run it will cost you much less. Which is worth remembering.
